DYNAMITE!

Will Complete Francis Rd This Summer; Marley Plans Hit Snag

Blacktopping of Francis road is still on the work schedule for this summer, according to County Highway Engineer James McCarthy but before that is done there is still some work to be done on the base, he said.

The Lincoln-Way road—as the engineers refer to the thoroughfare that borders the Lincoln-Way high school property on the east and connects U. S. 30 and Francis road—is being spread with stone and will be ready for use in another month or six weeks, McCarthy said.

The bridge over the creek at Marley—a modern, concrete structure—is not quite finished but persons living in the area are using it. The new roadway running from U. S. 6 to the bridge is surfaced with stone but even before that was done motorists were practically running over construction crews, it was reported.

There is little likelihood, however, that anything will be done this year about improving the highway leading from Marley east to Wolf road, McCarthy explained that the reason for this is lack of right-of-way. The county has been unable to get approximately a third of the right-of-way, McCarthy said. The landowners that haven't signed up either want too much or are unable to make up their minds as to the price they want.

The present road between Marley and Wolf road is on the rough side, it was pointed out. It is a state aid project and the state will not spend any money on the improvement until right-of-way is acquired so the road can be widened.

The widening and eventual blacktopping of this road to Marley will be advantageous to persons whose properties border it, it was declared.

Surfacing of Francis road will provide another good road to Joliet and will be free of heavy trucks. This road extends east to Tinley Park and is blacktopped between Gougar and Cedar roads and the only portion yet to be paved is the

Heart Attack Is Fatal to Morris Larson

A heart attack suffered Monday night was fatal to Morris Larson, 60, formerly of Mokena. He was stricken in front of his home at Phoenix, Ariz., and died before he could be given medication. He had been under treatment for a heart condition for some time.

Mr. Larson came to Mokena in 1934 and opened a tavern that became known thruout the area as Morry's. He sold the business and retired in April, 1957. He and Mrs. Larson, the former Maude Field of Joliet, then moved to Phoenix.

Invites Public To View New Addition Of Sandburg High

Carl Sandburg high school at Orland Park is holding open house Sunday afternoon, May 25, from 1 to 5 o'clock and all persons interested in schools are invited to view the new addition which has doubled the capacity of the plant.

The new addition cost approximately \$950,000 and will enable the school to take care of an enrollment of about 1,500. There are now 1,100 students.

four mile stretch between Cedar road, New Lenox, and Mokena.

Mokena and Frankfort Public Schools Will Graduate 51 May 28

Graduation exercises for eighth grade public school pupils will be held at Mokena and Frankfort next Wednesday night, May 28, at 8 o'clock in the schools.

A total of 51 will receive diplomas, 31 at Mokena and 20 at Frankfort.

Mokena

Dr. Gale Hufford, retired superintendent of the the Joliet grade school system and now a member of the faculty at Lewis college, will be the speaker at the Mokena commencement.

A schoolman of great experience and an authority on many aspects of school administration and education, Dr. Hufford's talk will center on today and tomorrow rather than yesterday. His subject is: "Time to Get Into the Orbit."

The program will open with a processional, with the Mokena grade school band furnishing the music.

The school choir will sing, "I Heard a Forest Praying," and "May the Good Lord Bless and Keep You."

The class will be presented by Mrs. Elizabeth Capple, principal and diplomas will be given out by Robert Geuther, president of the school board. The pupils who will receive diplomas are:

(Continued to page 16)

Wrath Resigns, to Take School Post at Beecher

James H. Wrath, assistant principal of the Mokena grade schools and head of the physical education department, has resigned, effective June 2, and has accepted a post for next year on the Beecher Community unit high school faculty.

In his new post Mr. Wrath will teach social science and also serve the school as assistant basketball coach. A native of Kenosha, Wis., he received his bachelor of science degree at Carthage college (Illinois) and his master's at the University of Chicago.

Wrath came to Mokena five years ago and during his stay has been quite active in community affairs. His basketball teams have done exceedingly well and his assignment as a basketball coach at Beecher should be a good thing for the athletic department there.

His new job will carry a substantial increase in salary and also give him experience in the high school field.

His resignation was accepted by the school board with sincere regret.

Mr. and Mrs. Wrath and their infant daughter expect to remain in Mokena most of the summer but will move to Beecher as soon as quarters are available.

Orland Firemen Merit Support of Dance Project

The Orland Park Volunteer fire department will hold their annual spring dance Saturday, May 24 at Goodings Grove hall on 143rd st. and Bell rd. Dancing will start at 9 p.m.

The volunteer fire fighters, unsupported by taxes, use the receipts of the annual dance to buy equipment for the department and to maintain what they have.

These men are willing and ready to go when an alarm comes in. The public should be ready to support them by buying a ticket to the dance, it was agreed. The more who come the merrier, but even if you do not dance or cannot attend, the price of a ticket is a small charge for a year's protection.

Help them to save your property, and perhaps your life, it is urged, by supporting the volunteer fire department in its undertaking Saturday.

Mokena Firemen Still Have Money Due on Tickets

Persons who received tickets to the Mokena fire department's annual dance and have forgotten to send in payment for them are asked by the committee in charge to remedy this

(Continued to page 16)

Frankfort

The Rev. Ben F. Day, pastor of the Frankfort Methodist church is to be the speaker at the graduation exercises to be held by the public school at the school next Wednesday evening.

The Rev. Mr. Day is one of three clergymen to take part in the program. The Rev. Adolph Ullrich, pastor of the Good Shepherd Lutheran church will give the invocation, and the Rev. Erich Bizer, pastor of St. Peter's Ev. and Reformed church, will pronounce the benediction.

The program is to open with the traditional processional with the music by the Frankfort school band. Following the Pledge of Allegiance led by Arnold Blaylock, the audience will sing the Star Spangled Banner.

Then comes the invocation, followed by the class song of the graduates, "America, Our Heritage." Lynn Hansen is to give a French horn solo. Rob-

New Lenox, Orland Park Schools Plan June Graduations

New Lenox grade school will have its commencement June 5 with William G. Wilson, Mokena, assistant superintendent of the Chicago city schools as the speaker.

Orland Park grade school will hold its graduation ceremonies the night of June 3, with Kenneth Halvorsen, board president, as the speaker.

Henry Yunker, Frankfort Highway Commissioner Dies; Rites Friday

Henry Yunker, 76 years old, roads. highway commissioner of Frankfort township for the past 15 years, died Tuesday night in his home at Mokena following a short illness.

A native of Orland township where he was born Jan. 20, 1881, the son of the late John and Magdalene Yunker, he spent his youth in that area.

He was married to Ida Schweser, Mokena, on Jan. 20, 1904 and the couple set up house-keeping on a farm on 191st st., Mokena, where a son, Harry, now resides.

When he retired from farming Mr. and Mrs. Yunker moved to Third ave., in Mokena, where he had since lived.

Mr. Yunker has been active in the trucking business since 1914 and for the past 15 years had been in charge of the town

Besides his wife and the son already mentioned, Mr. Yunker is survived by two other sons, Walter and Clyde, also of Mokena, two daughters, Mrs. Robert (Erna) Geuther, Mokena, and Mrs. Louis (Ella) Krohn, of New Lenox; two brothers, Edward, of Orland and Nicholas of Tinley Park, 14 grandchildren and 16 great grandchildren.

Removal was to the Hirsch chapel at Tinley Park where the body will remain until brought to the Immanuel Lutheran church at Mokena, at 1 o'clock to lie in state until 2:00 where services will be held, with the Rev. Leonard Reinke of New Lenox, officiating. Interment will be in the church cemetery. Friends may call at the chapel today between 2 and 5 and 7 and 10 pm.

Construction At Healthy Level In Chicago Area

Construction in unincorporated areas and an upturn in erection of apartments are given as major factors in keeping the building industry at a healthy level in the Chicago metropolitan area, according to Myron H. Fox, president of the Bell Savings and Loan Association.

Because of a substantial decline in building in Chicago proper and in DuPage and Lake counties the valuation of new buildings is down for the entire region when compared with a like period of a year ago. This is true not only for April but for the first four months of the year.

Total construction figures for the first four months of this year totaled \$284,141,328 as compared to \$343,591,141 for the first four months of 1957. Chicago itself showed a drop of some \$10 million for April, 1958 as compared to April, 1957, DuPage county about \$2 million and Lake county \$200,000. Cook county showed a gain of approximately \$6 million, Will county half a million and Kane county about \$280,000.

Permits issued in April for single-family dwellings in the region totaled 2,882 and had a valuation of \$47,236,959 or 330 homes and \$3,128,520 under April of last year.

Palatine led the suburban towns in the number of homes built in the first four months of 1958—179 with a total value of \$4,079,694, or an average value of \$22,792. Skokie was next and Oak Lawn third. More homes were built in Skokie, 196, but the value was less. Oak Lawn issued 171 permits for a total value of \$2,627,950 for an average of \$17,949. The most homes built for the four-period was 264 at Carpentersville but the valuation was low, \$2,395,000 or an average of \$9,072.

Tinley Park issued nine permits in April, 1958 for homes having a value of \$123,500 in comparison with four homes worth \$41,500 in April a year ago. However, all building at Tinley was down this April as compared with last \$141,800 and \$195,800.

Markham reported 13 homes worth \$152,500 this April while for the preceding April 84 permits were issued for homes valued at \$865,000.

One permit for a \$12,000 home was issued at Midlothian on the Bell Savings report.

HEART ATTACK—

(Continued from page 1)

Mr. Larson was born at Joliet Feb. 5, 1898, the son of the late Mr. and Mrs. Axel Larson. He was married on Valentine day, 1925. Until he came to Mokena nine years later he was employed in the steel mills at Chicago. Besides his wife, Mr. Larson is survived by two daughters, Mrs. Jack (Marcia) Cooper, of Phoenix, and Mrs. Wayne (Marilyn) Cundiff, Mokena; four brothers, George of Algonquin, Ill., David Paul and Albert of Joliet, one sister, Mrs. Frank McNamee, of Lockport and two grandsons.

The body will arrive at the Carlson funeral home, Benton and Youngs ave., Joliet, today and services will be held there Saturday afternoon at 3:30 o'clock with the Rev. William J. Riemann officiating. Interment will be in Elmhurst cemetery, Joliet.

Friends may call this evening from 7 to 10 o'clock and tomorrow between 2 and 5 and 7 and 10 pm.

Persuade Court Not to Separate Mom-Foster Son

Thanks to the pleas of friends and neighbors in Mokena, Mrs. Edna Howes and her foster son Steve, 7, will not be separated.

Mrs. Howes has been living in Mokena for 20 years and within the last 10 years has opened her home to 28 children, wards of Family Court of Cook county. She is what is known on the juvenile program as a foster mother.

Youngsters from broken homes, or from homes where one or both of the parents are dead, become wards of the court and as such are placed in foster homes.

Steve came to Mrs. Howes when he was three years old. A strong bond has grown between the child and his foster mother. In the natural course of events, Steve would have stayed indefinitely, but time changes things.

Mr. and Mrs. Howes had become so attached to Steve that they talked of adopting him, but before that could be done, Mr. Howes died, that was 18 months ago. Mrs. Howes would have adopted the boy herself, but the law states in cases of adoption, there must be two parents.

It seemed the two would have to be parted when Mrs. Howes decided it best to sell her home and live with a daughter in Texas.

Friends and neighbors who heard of this wrote letters to Judge Wendell E. Green of Family Court requesting that Mrs. Howes be allowed to take Steve with her. Because of this, Judge Green agreed that Steve might leave the state with his foster mother.

Mrs. Howes has a son Ross who is 11 years old. The three will leave here on June 4, to visit with a daughter in Maryland. In August they will travel to Odessa, Texas where another daughter lives and where they will make their permanent home.

The Howes' think their friends and neighbors are wonderful.

New Jersey is the only state which elects its governor for a term of three years.

There are no grounds for divorce which are excepted in all 48 states.

This April, last April five permits were issued and the valuation placed upon the dwellings was placed at \$76,800.

There are scores of towns in the region that are not included on the Bell Savings report.

DISCUSSING PROBLEMS—of handicapped children at a meeting Tuesday night in Central school, Tinley Park, are pictured left to right, John Sehnert, father of a handicapped child; Lewis Martin, director of services at the LaGrange High school; and Leland H. Rayson, Democratic candidate for representative from the 4th Congressional district. Sehnert acted as chairman of the meeting; Martin described how a cooperative plan between communities, supplies educational facilities for handicapped children; and Rayson advised action taken at the last State General Assembly to aid the handicapped. Many interested persons attended the meeting.

Mokena School Band Will Give Concert Sunday Afternoon

The Mokena grade school band will give a concert this Sunday afternoon at 2 o'clock. It will be the last concert of the current school year.

The band has made considerable progress this year and those who have heard it in rehearsals have high praise, not only for the young musicians, but for Director Friedman.

The Band Boosters are hopeful there will be a large attendance, to give encouragement to the youthful players. There will be no admission charged but a free will offering will be taken.

Toastmasters Club to Meet at School

The Toastmasters club will meet May 26 at Central school, Tinley Park, at 8 pm. Dean Cline, who is the area lieutenant governor, will be guest speaker. He is to give an educational talk. The keynote of the evening is "Enthusiasm." The toastmaster is Harold Brown.

There will be six speakers: Roland Hosking, Ben Deck, Geo. Novick, Henry Nolte, Rudy Boenzi and Edward Hite. The chief evaluator will be Carter LeBeau and Bill Houle will be the timer.

Place Codes on File at Tinley For 30-Day Period

Two more codes have been placed on file with the Village of Tinley Park for 30 days, prior to adoption as the official codes to be followed in construction.

The codes are the Chicago electrical and Suburban building regulations for residences. They will be adopted by reference.

The codes were presented by trustee Robert Suhs at Monday's board meeting.

Tinley Population Officially 5,366

The population of Tinley Park now stands officially at 5,366. Previously reported at 5,357, nine persons who were missed when the census was taken have been accounted for. They filled in a form run for the purpose in The Tinley Park Times.

JUST PLAIN SHIFTLESS—these Model T's, one man in the area is said to still drive one of the early Fords because he never learned to drive a car with a standard gear shift and doesn't feel up to coping with today's scats-wagons. The one's in this picture are owned by members of the Midwest chapter of the Model T Club, who chugged 46 miles Sunday to have dinner at The Oasis at Frankfort. The two jobs at the extreme right are 1919 models and next to them is a 1926 Buick while at the far left is another flivver, 1926 vintage. These Model T's, their devotees say, bring from \$1 to \$2,000 in the market. (Robert Porter photo)

Bitterness Marks Debate Over Forming City

(CNS) Confusion and bitterness have marked the court battle being waged for control over a section of Palos township territory by those who want to establish the City of Palos Hills and others fighting to have their property annexed to the village of Worth.

Sarcastic wrangling between some members of both factions, all neighbors, broke out following Friday's hearing and also at times in the corridor outside the packed courtroom of County Judge Otto Kerner who conducted two consecutive full days of hearings in the fight last week.

A compromise proposal offered by Attorney Franklin Chino, who represents the petitioners for annexation, was rejected by Attorney Jack M. Siegel at the insistence of several members of the North Palos Community Council, the group seeking to incorporate their area as the City of Palos Hills.

No Compromise

Chino had said he would abandon some property on the perimeter of the area seeking annexation to Worth if Siegel's clients would drop their objections against the annexation move.

The area embroiled in the controversy involves about 225 acres west of Worth. Those fighting annexation want this land included in their petition for a referendum to incorporate the City of Palos Hills.

Its proposed boundaries are generally the village limits of Hickory Hills on the north, the Calumet-Sag channel on the south, Kean avenue on the west and Harlem avenue on the east.

Confusion entered the case when Judge Kerner said that of ficial lists of registered voters in the area conflict.

"The court finds itself in a quandry," Judge Kerner said.

He suggested representatives of both sides conduct a house to house canvass to get a correct count.

This was rejected by Chino when the judge declined to rule on the spot whether the court would consider persons as qualified registered voters from their home area if they've lived there at least 30 days but are registered elsewhere.

Enough Signatures?

"Without such an assurance, we would be putting our necks in a noose and that would be very stupid," Chino said.

Left unsaid was the fact that Siegel later could challenge the legality of signatures of any residents on the annexation pe-

tition who failed to keep their vote registration cards up to date. If the court did uphold such an argument and enough signers were knocked out, the annexation petition would fall on its face for lack of the required number of signaures. The petition for annexation would be defeated.

Chino said his clients would have "nothing to gain and everything to lose" by a canvass, which would create a situation just the reverse of the other side.

Judge Kerner said he'll settle the case with or without the canvass he suggested.

"I'll make a ruling either way," he said. "but I feel it would be a fairer ruling if the canvass information were available to the court."

Legislative Commission to Visit Hospital

The Illinois Legislative Commission will visit Tinley Park State hospital Wednesday, May 28. The commission began its 1957-58 series of visits to welfare institutions last fall, according to Dr. Otto L. Bettag, director, department of public welfare, with inspection trips to Anna, Illinois Security, Alton, Jacksonville, Peoria, Galesburg and East Moline state hospitals, Lincoln State school, Soldiers' home at Quincy and the Soldiers' and Sailors' Children's school at Normal.

The commission to visit charitable institutions, Dr. Bettag explained, is one of three divisions of the overall commission. Other divisions inspect educational and penal institutions.

Commission members visiting the various welfare institutions are Sen. Rollie C. Carpenter of Ancona, chairman; Rep. Ralph Stephenson, Moline, vice chairman; Rep. Joseph P. Stremkau, Mendota, secretary; and members, Sen. Frank J. Kocarek, Chicago; Sen. William Lyons, Gillespie, and Rep. Lillian Pietrowski, Chicago.

The purpose of visits to welfare institutions, Dr. Bettag said

is to inspect facilities, review standards of care and treatment, and discuss needs and problems with a view to finding out what legislation is necessary for better facilities and better service to patients.

Dr. Bettag said, appropriate legislation will be recommended by the commission to the next session of the general assembly based on findings in the current series of visits.

Dr. John L. Cutler, superintendent, Tinley Park State hospital will welcome the commission and present a prepared report for commission members covering population of patients, employes, patient care, physical plant and facilities, a synopsis of accomplishments since the hospital officially opened the first of the year, and a list of current needs still to be met.

The commission will spend most of the day at Tinley Park State hospital. On June 10 the commission will visit Kankakee State hospital, June 11, Manteo State hospital, June 24 and 25 Dixon and Elgin State hospitals.

Harvey Moose Plans Carnival for June

The Harvey Moose Lodge announces plans are being made for their Moose carnival to be held June 17 to 22, on the grounds of the new Lodge now under construction at 154th and Dixie highway.

220 Boys Register For Baseball

Players Assigned To Little League, and Babe Ruth At Tinley

Registration of boys for baseball teams in Tinley Park has been successful. A total of 220 boys registered for Little League and Babe Ruth league. This is a gain of 25 boys over last year.

All boys have been assigned to teams and will be notified by managers this week.

At present the leagues are short uniforms for 15 youngsters. Officers, managers, and coaches are doing everything possible to secure the additional 15 uniforms needed.

They appeal to any person, business firm, or social organization who would like to help in obtaining the uniforms. Their help would be appreciated by league officers and boys.

Additional help is needed for men to act as ground keepers, coaches, score keepers, and umpires. Parents are encouraged to become interested in the program and assist wherever possible.

Anyone desirous of helping is requested to call the league president, Francis Meakim, KE 2-2901.

Below is a roster of all major teams in the Little League:

(Minor league rosters will appear in next week's issue of THE TINLEY PARK TIMES).

CARDINALS—Manager Julian Nicks—Players: B. Watkins, D. Adamczyk, S. Jacobs, T. Popp, R. Holt, C. Jirka, R. Popp, E. Decker, T. Watkins, N. DeGraf, R. Curlee, J. Schmidt, J. Hill, J. Nicks, and D. Nicks.

CUBS—Manager H. Martello—Players: R. Martello, R. Buettner, J. Widner, R. Behling, B. Wilkenson, J. Ebell, R. Meyer, G. Houle, J. Schmidt, R. Manzke, J. Heinzen, G. Reynolds, J. James, R. Roe, J. Karr.

SOX—Manager—B. Voller, coach, G. Flett—Players: P. Flett, C. Sorenson, R. Siebrant, J. Miller, L. Bettenhausen, B. Kohn, R. Hayes, T. Bettenhausen, S. Snyder, R. Kane, K. Kane, T. Shattue, B. DeGraf and R. Konig.

BRAVES—Manager H. Anderson, coach T. Lauterbach—Players: M. Benson, N. DeVal, R. Wehr, J. Mager, T. Lauterbach, D. Hires, T. Mager, J. Knutson, J. Patton, R. Enzenbacher, P. Ellement, S. Punis, J. Karbek, and B. Robinson.

TINLEY PARK—Manager K. Hirsch, coach — Williamson—Players: D. Hirsch, H. Teehan, T. Albright, J. Dotts, J. Doll, H. Wille, K. Zimmerman, H. McEllehny, F. Kraft, R. Virtue, A. Van Slyke, T. Stotler, K. Kurowski, W. Daley, and W. Williamson.

The roster of the Babe Ruth league teams is as follows: Manager F. Meakim, coach R. Kimmel, players: Rusin, Ludwig, Schultz, Powers, Corda, Schneider, Gavrel, Kreten, Kimmel, Rodger, Rodger, Meakim, Meakim.

Manager J. Curlee, players: Curlee, Zawada, Peterson, Albright, Propp, Dahms, Reiffenburger, Powers, Splawski, Titus, Goebel, Putz, Larrimore and Wehr.

Manager B. Jirka, players: Jirka, Casey, Sloan, Punis, Miller, Meyer, Dzurny, Wille, Tindall, Carlson, Keane, Scholten, and Roberts.

Salt content of the Great Salt Lake is high because there is no outlet. The lake loses water only through evaporation, leaving only the salt.

Mokena Small Fry, Babe Ruths to Start Play

Monday and Thursday nights, beginning May 26, will be Small Fry baseball nights again this year at Mokena. Play in the Babe Ruth circuit will be on Tuesday and Friday evenings, beginning May 27.

Ernie Tipton will coach the Ruths again this year while Jim Wrath and Bob Hohenstein will perform that task for the Small Fry. Coaches for the Small Fry farm teams will be Al Sorensen and Jack Rodeghero. They need help, they said, and ask for volunteer assistants.

The registration of players is large this year, it was reported at the meeting Tuesday night, but those who failed to sign up last Saturday may still do so by registering with their coach. The registration fee is \$1, and the leagues are formed on a no-pay, no-play basis.

The first game in the Small Fry league will be against Orland Park, at Mokena, the evening of June 9.

Teens Receive Rifle, Bowling Awards Saturday

Members of the Tinley Teen club recently participated in a contest sponsored by the National Rifle association. The top boy and girl winners were Ronald Bauer with a total score of 149, and Rita Valadika, with a total score of 138.

Other participants and their scores are: Gilbert Burton, 142; Joseph Valiga, 139; Carol Bauer, 125; Jill Hollingshead, 111; Mary Ann Wolf, 109; Sue Schullien, 108; Valerie Olson, 87; Jo Ann Buchhaas, 86; and Bonnie Bettenhausen, 72.

According to requirements, teens aimed at a standard five bull target at 25 foot range, using a small bore C20 rifle. Instructors and John and Dick Paul. Joseph McCarthy, Teen club advisor, is a member of the National Rifle association. The teens have year-round target practice on Tuesday evenings in the Municipal building.

Bowling Scores
Bowling is another activity enjoyed by the Teen club.

The results of their entry in the American Junior Bowling Congress is as follows: 1st place—team number 7; 2nd place—team number 1; 3rd place—team number 5; 4th place—team number 3; 5th place—team number 6; 6th place—team number 8; 7th place—team number 4; and 8th place—team number 2.

Bob Goetsch had the highest average of the boys with 165, and Jo Ann Buchhaas, the highest average of the girls with 129.

Highest score in the series was won by Dick Klepper with 669. Bruce Ralson had the highest score game with 258, for the boys.

In the girls division, Alice Albright and Ann Hunziker tied for high series score, each

Mustangs Tap Eagles Nine In Regional Tilt

The Eagles hopes for a crack at the state prep baseball title slipped thru their fingers—literally—Monday afternoon when they encountered Evergreen Park on the Reavis diamond in a regional contest.

The Sandburg team lost 6 to 2, and errors spelled the difference. The Eagles out-hit the Mustangs, 6 to 4 but the seven bobbles chalked against Sandburg combined to blow its chances.

Sandburg had advanced to the regional by knocking off Bremen the previous Monday in a district battle, 8 to 4.

The sectionals follow next week and then come the state finals.

In the regional contest this week Richard Aird was on the mound for Sandburg. Pitching chores for Evergreen Park were shared by Baker and Gear.

Midget Races At Joliet Begin Seventh Season

Midget auto racers will resume competition Saturday night, May 24, at Joliet Memorial Stadium on U. S. 52 on the west side of the city.

Promoters look for another season of top-notch racing and expect five of the track's former champions will be back for the seventh season.

George Sellery of Chicago, the 1957 champ, is expected to race again regularly at Joliet; also Bob Tattersall, Streator (1956); Tony Lenti, Chicago, (1954-55); Bud Abraham, Chicago (1953) and Ken Rubright of Lyndon, who took the track title in 1951.

Among Joliet area drivers expected to return to the speed wars this summer at the Joliet oval, are: Bernie Wilhelmi, Sam Robinson, Bill Barnes, Bob Hauck, and Corky Singer, all of Joliet; Ray Elliott and Newt White, Lockport; Jack Chapman, Aurora and Paul Kerber, Elgin.

Organize Church Softball League At Tinley Park

A church softball league has been organized in Tinley Park, with the following teams entered: Methodist, St. George, Reformed, Zion Lutheran, and Nazarene.

All games will be played in Memorial park which now has a new back stop installed this week. The girls' softball team christened the back stop Monday in the season's first practice game.

"Thieves demand either your money or your life. Marriage demands both."

—DesPlaines Valley News.

with 586. Jo Ann Buchhaas was the winner of the high score game with 251. The most improved bowler among the girls in 1957-58 was Betty Czernik by 11 pins.

The most improved boy player was Jerry Erskine by 14 pins. Bowling coaches are Harold Coley and Joseph McCarthy.

Trophies and awards for both sports will be presented to the winner at a dance to be held in the Municipal building Saturday night, climaxing Youth Week.

Sandburg Golf Team Wins SWS Conference Crown With Card of 352

The Sandburg high school golf team won the Southwest Suburban Conference links crown on Monday of this week with its performance at Silver Lake course in the 18-hole event.

The Sandburg team compiled a score of 352, which was 29 strokes less than the 381 taken by Rich to finish in second place.

Reavis was third with 383, Evergreen Park fourth, with 390 and Lincoln-Way fifth with 405. There were the only conference members competing.

Tom Schreiber, of the Sand-

Other members of the Sandburg team and their scores, are: Tom Cripps, 86; Richard Breitbarth, 93; and Bill Johnson, 96. Incidentally, Joliet Catholic high's golf team won the state prep title at Champaign-Urbana as had been predicted.

Bremen Braves Beat Rich 16-6 to Finish 3rd in SWS Conference

The Bremen Braves routed the Rich Rockets 16-6 on their home diamond Thursday to end in third place in the Southwest Suburban conference, with a 7 win, 5 loss record.

Rich scored four runs in the first inning on two successive walks, a bunt and two singles.

Bremen came to life in the bottom of the fourth, scoring 12 runs. Bob Rodger singled to center. Gary DuBois doubled, scoring Rodger. Roger Hug singled scoring DuBois. Juris struck out, Wally Eggert and Jerry Miller singled loading the bases. Jerry O'Neil singled, Hug and Eggert scoring. Jim Manioni walked, Dale Hartwig was safe on a fielder's choice, Miller scoring. Rodger flied out to deep center and O'Neil scored.

DuBois Hits Double
DuBois doubled, driving in Manioni and Hartwig; Hug bunted safely, Juris walked, Eggert singled, scoring DuBois and Hug. Miller singled, scoring Juris and scored when the catcher threw the ball into center field as Miller continued to second after the play at the plate.

Rich scored two more runs in the fifth, but Bremen came back to add four more runs on a walk to Manioni and singles by Rodger, DuBois and Hug.

Bremen players who graduate this year are: Hartwig, Hug, Miller, O'Neil and DuBois.

The team started slowly this year, but gained momentum as the season progressed. They were considered a good bet to win the conference championship. In the first game of the district tournament to determine state chapion, Carl Sandburg beat Bremen.

The picture appears bright for next year with the return of Rodger, the leading conference batter; Manioi, team runner-up in batting; Luke Kent, Pete Larrich, Jim Hartman, J. Foster, Wally Eggert, Juris and Berry Meyer also some promising sophomores.

Bremen	Batting	Averages	W. Eggert	20	3	.150
Rodger	36	17 .472	J. Foster	22	3	.136
Hartman	5	2 .400	L. Kent	8	1	.125
Manioni	35	13 .371	J. Bowe	4	0	.000
DuBois	35	12 .343	P. Larrich	3	0	.000
O'Neil	33	11 .333	J. Meyer	1	0	.000
Hartwig	42	13 .309	R. Falk	1	0	.000
Hug	36	11 .306	J. Iverson	10	0	.000
Miller	24	7 .292	(Scoring on the first game			
Juris	8	2 .250	with Reavis is not available)			

Orland Grade School Wins Track Meet

Orland Park grade school was the winner in a dual track meet over St. Michael's also of Orland, piling up 20 points to 15 for their adversaries.

Orland Park scored firsts in four events to two for St. Michael. The latter carried off four seconds and three thirds. Orland had a second and two thirds.

This is the first time that track events have run off by grade school teams in the area. The idea was sponsored by Ray Livingston, a member of the Orland Park faculty, who came here from the Joliet-Lockport area.

John Bates (O.P.) won the shot put with a toss of 33 feet 11 inches. Chapman and Kucher (S.M.) were second and third respectively with 31' 6" and 29' 2".

Jerry Zinn (O.P.) won the broad jump with a leap of 14' 6". Richards (S.M.) was second with 13' 9" and Witkowski (SM) third with 13' 4".

St. Michael's Jack Chapman won the 50 yard dash in 7-1/5 seconds, with Bendix and Morris, both of Orland Park, second and third.

Bob Suppes (S.M.) won the 75-yd. dash in 9 sec. Lannon (S.M.) was second and Klotz (O.P.) third.

Tony Karas (O.P.) won the high jump at 51 inches. T. Young (O.P.) and R. Richards (S.M.) tied for second and R. Kuecher (S.M.) was third.

The 200-yd. relay was won by the Orland Park team made up of J. Zinn, J. Bendix, M. Bader and R. Morris.

Tinley Woman's Club to Hold Annual Spring Luncheon May 28

The Tinley Park Garden club celebrated its sixth annual Past Presidents' day last Thursday with a luncheon at Marinetti's at Crystal Lake.

A lovely centerpiece of lilacs was arranged by Mrs. Lillian Zawadzki. At each place was a tiny basket of nuts and mints, with a dainty bouquet of violets. Place cards were purple pansies.

Six past president attended, Mrs. John Werth, Mrs. Harry Mager, Mrs. Amanda Nielsen, Mrs. Trudie Swisher, Mrs. Edmund Moss and Mrs. Clara Hug. They were greeted by Mrs. Robert Memhard, now president of the club, and each was presented with a corsage.

Following the luncheon the women were taken on a guided tour of Flowerwood, a large nursery and greenhouse where they gained first hand information on the care of shrubs, trees, plants and flowers.

They viewed the boiler that keeps the blooms in winter and then visited the refrigerated rooms where they are guarded against summer heat.

The group saw how corsages of camellias are made and packed for shipment and each of the ladies was given some carnations.

Seventeen attended the luncheon.

Home Bureau Heads Report on Activities

Reports on activities conducted under auspices of the Will County Home Economics Extension council and the Home Bureau executive board were made at the meeting May 12 in the conference room at the farm bureau in Joliet.

Officers at the meeting were Mesdames Harold Scheer, Clair Hemphill, Wilbert Lauffer, Norman Krapf, Peter Bruno, Howard Kurkamp, Lloyd Leupold, Arnold DeMik and Ben Hursh.

Mrs. Krapf, the 4-H chairman, reported a busy month with training and demonstration schools and committee meeting, all well attended.

The next crafts day will be held Oct. 30 at Serbian hall, Joliet.

Home Advisor Betty Shinn and her assistant, Mary Cheze, reported April and May to be busy months with organization meetings, lessons and training schools. The local leader training school on "Control of Overweight Thru Diet" is scheduled for June 19.

The minor lesson for September is to be "Gifts From the Kitchen."

A sewing machine clinic is to be conducted Sept. 26 by Frank Andrews.

Homemakers camp dates have been set for June 9-12, with visitors' day June 11. "Come Out for Fun" is to be the theme.

Hostesses for the district meetings are to check firewood etc.

Mrs. Hemphill urged cooperation of all in the membership drive now in progress. New members will be signed up to the end of May.

The next board meeting is to be held at 7 p.m. June 16. Plat books are now on sale at the office, it was announced.

Joliet Flower Show Open to All Amateurs

Joliet Floral and Garden club will present "Knee Deep in June", a flower show open to all amateur gardeners, Saturday and Sunday, June 7 and 8, in Joliet Federal Savings and Loan association's building, 120 Scott street, Joliet.

Mrs. Lewis W. Hague and Mrs. James Hamilton are co-chairmen of the show.

The building will open at 8 a.m. on Saturday, June 7, for exhibitors to place their entries. All exhibits are to be in place and ready for judging by 10 a.m. They must be removed by 9 p.m. on Sunday, June 8.

The show will be open without charge to the public from 2 to 9 p.m. on both days.

Junior gardeners, boys and girls under 16 years of age, will have a special section at the show. They will exhibit flowers, vegetables and arrangement of flowers.

Another special class is for men only and still another is for newcomers, those who have never before taken part in a flower show.

Mrs. J. L. Fifer of Joliet is president of the garden club. Educational and conservation exhibits and table settings will be on view in addition to the displays of individual flowers and arrangements.

Dew Drop Camp Has Mothers' Day Party at Tinley

Dew Drop Camp No. 2023 RNA, had its regular meeting and Mothers' Day party Tuesday evening in the American Legion hall at Tinley Park. Orace Kunz presided and gave a special welcome to all the members who have been unable to attend during the winter months. Sally Nolte and Lena Wright gave announcements of the birthday dinner to be held at 6:30 on Tuesday, May 27th. Every one is asked to be prompt and bring their own table service.

An invitation was read from the Chicago Heights camp to attend its "Hobo Night" party. Receiver Mathilda Steinhagen and Inner Sentinel Violet Hultsch will be special guests.

It was voted to sponsor a flower project May 23 and 24 with Sally Nolte as chairman. Plants will be displayed by the group in front of business houses on the west side of Oak Park ave. between 171st and Sayre ave.

The award Tuesday evening went to Cora Douglas. Boxes of candy were given to all present for Mothers day. Awards were given to the following mothers: Louise Goesel, oldest; Romaine Harbison, youngest; and Lottie Rasmussen, mother with the most children. Delicious refreshments were served by Neighbors Chapman, Hultsch, Bender and Haverlock. Games were played.

Tinley Garden Club Honors Past Presidents At Delightful Party

The annual spring luncheon of the Tinley Park Woman's club will be held on Wednesday May 28, at 1:00 p.m., in the Lincoln Heights restaurant, Route 30 near Western Avenue, Chicago Heights.

Mrs. O. K. Christensen, of Chicago, will present a program of humorous readings. Officers will be installed by Mrs. Edward Durkee, president of the third district, Illinois Federation of Women's Clubs.

Members may make reservations with Mrs. Lewis Shawver or Mrs. A. P. Mancl.

Mrs. Benton Moore, president elect, and Mrs. Lewis Shawver attended the convention of the Illinois Federation of Women's Clubs in the Hotel Sherman, on May 6-8.

Junior Women's Club Installs New Officers

Installation of officers was the highlight of the Orland Park Junior Woman's Club Spring dinner held May 14 at the Beverly Woods restaurant. Mrs. Adele Cooper installed the following: 1st vice president, Mrs. James Whiteford; 2nd vice president, Mrs. Henry Rafacz with Mrs. Rafacz as proxy; and treasurer, Mrs. George Schilling. Special guests were: Mrs. Mable Ekberg, president of the Orland Park Woman's club and Mrs. Adele Cooper.

Mrs. Oscar Enk announced the chairmen for the coming year: Fin Arts, Mrs. Raymond King; American home, Mrs. George Johnson Philanthropy, Mrs. Donald Craemer; Publicity, Mrs. Wilbur Eckel; Veterans affairs, Mrs. Victor Ebeling; Public affairs, Mrs. James Plakovic; Ways and means, Mrs. William Grosskopf.

Following the dinner a recital was given by James Mayer, tenor soloist of Palos Heights. Mr. Mayer, now solo with the Hull House Opera Workshop, and Oak Park Presbyterian church, won first place in the Peoria Area festival in 1957. His program was greatly enjoyed.

Stephens College Alumnae Club to Meet at Park Forest

The newly elected officers of the Stephen College Alumnae club will preside at the May 26 meeting in the home of Mrs. E. V. Stadel, 92 Healock, Park Forest. Mrs. James Gilchrist of Park Forest, will preside.

Other officers installed at the April meeting were: vice president, Mrs. Bruce Kerney, Homewood, secretary, Mrs. A. L. Matthews Jr., Country Club Hills; treasurer, Mrs. Hale Swanson, Chicago Heights; corresponding secretary, Mrs. Robert Hurwitz, Park Forest.

A brief business meeting and social evening is planned. Members are reminded to wear the costume purchased in the clothes exchange.

At the age of 70 a Supreme Court Justice may retire on full pay.

Palos Center to Have Open House Sunday

The Community Center Foundation of Palos Park invites all friends and those who are interested in learning of the foundation activities to open house on May 25. The Rev. Paul T. Sanders director, Mrs. Sanders and members of the board of trustees will welcome visitors in the main lodge from 1:30 to 4 p.m. Staff members and the committees in charge of the various phases of the program will receive guests in the Herb cottage, the children's camping area, the craft shop and the chapel. Guided tours will leave the lodge at frequent intervals for those who wish an extended tour of the spacious grounds.

Of special interest to many will be an exhibit of paintings and ceramics by members of the several art classes conducted at the foundation during the past year. These include both children and adult artists who have studied under the direction of Mrs. Marvin Kutchinski of Palos Heights and Mrs. Howard Fish of Orland Park.

A vespers service will be held in the Wayside chapel at 4:30.

Neil J. Anderson, Palos Park, is president of the board of trustees. Other members are Mrs. Dwight K. Taylor, Hinsdale, secretary; William J. Wollenberg, Chicago, treasurer; Mrs. Martin Kruissink, River Forest; William Cisna, Chicago; Mrs. H. D. Bowyer, Orland Park and Carl Zimmerman, Palos Park.

Zion Lutheran Aid Has Luncheon; Give Pantomime

A pot luck luncheon was held May 7 by the Zion Lutheran Ladies Aid, at which 46 members were present. Mesdames Ruth Freitag, Lois Freitag and Emma Funk served a sheet cake which was beautifully decorated for Mother's Day. The tables were decorated with spring flowers and a philodendron plant at each place for the ladies to take home.

Several members read interesting letters from their new acquaintances at the Muscatine homes. The Big Sister project seems to be very successful.

Volunteers are needed to help at the Lutheran salvage warehouse in Chicago on June 11, Sept. 10 and Dec. 10. Altho several members answered the call, more are needed.

Mrs. L. J. Anderson will write to the servicemen this month it was announced.

A pantomime entitled, "And the Lamp Went Out" was given by Mesdames Alice Propp, Victoria Martey, Eleanor Carlson and Doris Wehr with sound effects by Loretta Ercius and dialog by Mrs. Randolph Hahn. It was a hit.

Sincerity, a deep, genuine, heart-felt sincerity is a trait of true and noble manhood.

—Lawrence Sterne

Marley

Mothers' Club to Have Program At School Friday

By VIRGINIA SASS

The Marley Mothers' club will meet at the school on Friday afternoon May 23. A program presented by the children, will begin promptly at 2 o'clock. The fathers are cordially invited to attend. Refreshments will be served by the hostesses, Mrs. Arlene Koerner, Mrs. Mary Griffin and Mrs. Georgia Lambert.

A mother and daughter banquet, sponsored by the Marley Missionary society, was held in the Marley church Tuesday nite. A baked ham dinner was served by the men of the Brotherhood. Mrs. Edward Sproat was the Toastmistress and also led the group singing. Miss Cheryl Sass gave a "Welcome to Mothers" and presented a corsage to the oldest mother present who was Mrs. Henry Tilsy. Mrs. Loren Sass extended a "Welcome to Daughters" and presented a corsage to the youngest daughter present who was Robin Denise Walsh. These poetic words of welcome, were prepared and written especially for the occasion by Mrs. Louis Sass.

Alma Lauffer and Bonnie Sproat favored with a vocal duet, "Lullaby Land." The guest speaker of the evening was Mrs. Robert Shepherd of Homer, who talked and exhibited her doll collection.

The Marley BYF was awarded the attendance banner at the Rally at Batavia on Sunday. Robert Stellwagen, Faith chairman of the BYF Association, gave a book review, "The Faith That Moved Peter Marshall." He also presented the devotions. Attending from the Marley group were Rev. and Mrs. Ray Hamer, Betty Stellwagen, Jane Griffin, Arthur Walker, Roger Corp and

Robert Stellwagen.

Durward Killinger spent the weekend at Urbana where he attended the 50th anniversary celebration of his fraternity, Pheta Delta Chi, of the University of Illinois.

Mrs. Stanley Coe has received word of the serious illness of her sister, Mrs. Florence Evans of Seattle, Wash.

Mr. and Mrs. Charles Sass entertained at a dinner party in their home Sunday evening. Guests were Mr. and Mrs. Don Baumgarten and Mr. and Mrs. Howard Taylor of Joliet; Mr. and Mrs. Herbert Senning of Lockport, Stuart Ayers and Bill Penn of New Lenox; and Miss Mary Schook and Leonard Musich of East Chicago.

Mrs. Ethel Ruth of Bloomingdale, Mich., is spending a few days in the Harry Sproat home. Mr. and Mrs. C. H. James and daughters of Oak Lawn, were guests Saturday evening in the home of Mr. and Mrs. Clayton Cleveland.

Mr. and Mrs. Russel Lauffer and family were dinner guests on Sunday in the home of Mr. and Mrs. Hershel Aseltine in Chicago.

The first picnic of the new Homer Consolidated school is to be held Sunday, May 24, at Dellwood park. Lockport. The affair is scheduled to begin at 12:30 o'clock. Each family is to bring a dish to pass and their own sandwiches.

Laguna Woods

Lightning Bolt Strikes Homes; No One Injured

By MRS. ROBERT ANDERSON
Phone Fieldbrook 9-2857

Mrs. Karl Olson underwent surgery last week in the Chicago Osteopathic hospital. She is expected home this weekend.

Rhett Brown is recovering from a strep throat and scarletina.

Saturday night's electrical storm was the subject of quite a bit of conversation in the Woods Sunday morning. The William Sneddens home on Redondo lane was struck by the lightning about 11 pm. The lightning traveled along the gutter at the rear of their home burned thru the telephone wire, tore off some of the roofing shingles and made a large hole in the overhang of the roof above son Gary's bedroom window.

Mrs. Sneddens and Dorothy, whose room is next to Gary's were awake at the time and saw the lightning light up the bedroom as it traveled past. Luckily no one was injured and the house did not catch on fire.

The Al Karres pump was struck and the family were without water, as were the Sned

dens. The Karre home is on 139th street and the Robert Zadesky home which is next door to the Karres (on the road in back of the Sneddens house) also had some excitement. The Zadesky children had their radio playing and as the lightning struck it burned out the radio. The Robert Andersons, whose home is on Redondo (and four doors from the Sneddens home) had their hall light and bedroom lamp on and as the lightning struck their lights burned out.

It seems the fellows living near the small pond have little to cast for in it so they do their fishing in the large pond and transfer the catch to the small one.

Have you heard about the neighbor who was out sweeping his lawn with a straw broom, to get the dirt off of it? This same man is a great animal lover (?) It seems he was trying to defrost a steak in a hurry by setting it out in the front yard in the sunlight to the delight of a neighbor's cat. When last seen the cat was in the lead.

Suggest Village Park At Orland

Persons at Orland Park have discussed the possibility of creating a public park there and Village Trustee Joseph

Lebens brought the subject to the attention of the village board at its last session.

In the discussion that followed it was brought out that the forest preserve provided trees and grass and that the forest preserve might be induced to equip an area with picnic and recreational facilities.

The village itself does not have the funds to operate and maintain a park or park system Mayor W. R. Suchussler, Jr., pointed out.

If enough persons were interested, it was explained, a park district could be formed. Such a body would have the authority to issue bonds and levy taxes for the establishment and operation of a park system.

The first dirigible trip around the world was made by the Graf Zeppelin in 1929.

Pastor's Wife Well Trained For Position

Lois Pew, wife of the Rev. Wendell G. Pew who will become pastor of the United Chris-

tian church in Country Club Hills June 1, brings a rich background of talent and experience to her new position.

She received her secondary and college schooling in California, receiving the A. B. degree from Chapman college in Orange. She served as president of the student body and president of the women students. A solo-

ist with the college choir, she also was a member of the quartet. Since graduation she has taught public school music and directed church choirs. While

Mrs. Pew

living in Cedar Rapids, Ia., she worked for a book store and conducted a daily radio program reviewing books and telling of gift items.

She attended Drake university in Des Moines completing the residence requirements for a master's degree in religious education. In Austin, Minn., she has been active in the Art and Travel club, Oratorio society, Civic Music association, and United Church Women. Her father is the Rev. Galen Lee Rose, a Disciples of Christ minister who is executive of the Sacramento Council of Churches.

The Pews have two children: Mary Lee, three years, and Paul Allen, one.

PTA News

FARM NEWS

For
Cook County
by
W. F.
Whiteside

assistant farm adviser

It seems that clover mites are causing a good deal of concern among home owners these days. We have had a number of calls from housewives, near frantic because they feel they are being overrun by some unknown creature. The mites are harmless. They do not feed on clothing, draperies, rugs, food stuffs, nor do they bite people. They are only a nuisance. A good preventative measure is to remove weeds and grass next to the house, leaving a strip of bare soil. This strip could be planted to flowers such as: zinnia, marigolds, chrysanthemums, roses and salvia, which do not attract the mites. If you have a real problem with them right now, inside the house pick them up with a vacuum cleaner—outside dust heavily with Aramite or chlorobenzilate. Use these materials at the rate of eight pounds for 100 gallons of water, or with the sprinkling can, use ¼ pound with three gallons of water.

If you have elms, be on the alert for cankerworms with two pounds DDT (50% wettable powder) or four pounds of lead arsenate in 100 gallons of water.

Now is the time to spray cedars, pines, junipers and spruce for mites. Use one heaping tablespoon of Aremite 15W, or Chlorobenzonate 25W per gallon of water. One thorough application should be enough. Malathion emulsifiable concentrate, two teaspoons per gallon of water will also control mites as well as various scale insects. Probably more than one application of Malathion will be required to control mites.

Bean leaf beetles feed on garden beans, making plants look as if they had been shot with a shotgun. When this damage first appears, treat with rotenone or DDT. Rotenone dusts at 3/4 per cent rotenone concentrate or regular garden sprays or dusts of DDT will control them. Do not use DDT after pods begin to form. Bean leaf beetle damage will not be serious after pods form. The beetles should be controlled by this time anyway.

Swine growers who switch to year-round farrowing should also switch at the same time to routine iron injections to prevent baby pig anemia. Anemia is not something that happens to winter-farrowed pigs. It can happen any time pig spend their first few weeks on con-

crete or wooden floors away from dirt.

Mulching your soil around your garden vegetables helps to conserve moisture. Mulching also keeps the soil cool in hot weather, keeps the surface loose and friable, adds organic matter to the soil and prevents vegetables from becoming spattered with mud after heavy rains. Mulching is simply covering the soil with heavy material such as leaves, grass cut-straw, ground corncobs, shavings, paper and polyethylene plastic. Mulch should be applied after plants are well established. It is advisable to cultivate once or twice before mulching.

Bug lights do not repel insects—insects just can't see by that wave length of light. These yellowish lights, is used on porches and around doorways and picnic areas, will reduce the insect or bug problem in these areas at night.

GEORGE MONTGOMERY stars in "Man From God's Country" at Hill Top Wednesday and Thursday.

"This couldn't have happened even 10 years ago, but the other day we overheard a lady say: 'I know she's home because I saw her TV aerial rotating.'"

—Ford County Press.

Lincoln Wood

Schmuhl School to Hold Annual Picnic June 8

Schmuhl school will hold its annual, end of school picnic, on Sunday, June 8 for the school children and their families, at Van Horn woods at noon. Those attending are asked to bring a covered dish, to pass and their own table service. Ice cream will be furnished.

Pack Meeting

Cub Scout pack 41 will hold a potluck supper and meeting in Van Horn woods, route 30, Thursday, May 22 at 6:30 pm. Each is asked to bring a hot dish to pass, and own table service.

The Cubs will present a skit in keeping with the theme, "Circus Time." Games will be played.

Mrs. Jetta Glow and children and Tony Lick of Momence, spent the weekend with Mr. and Mrs. Roman Nowicki.

Guests of Mr. and Mrs. Vernon Newsome and family Sunday were his sister, Mrs. Nancy Barrett and daughter Darlene of Joliet.

Mr. and Mrs. Raymond Baker and family spent the weekend in Muskegon, Mich., with his parents, Mr. and Mrs. Raymond Baker, Sr.

Dr. and Mrs. Ralph Wright spent a few days last week in Rochester, Minn., where they plan to move about the middle of June.

Mr. and Mrs. Michael Orey and family were guests Saturday of Mr. and Mrs. Frank Cassman and family in Blue Island.

Members of Mrs. Ronald Crisman's kindergarten class will visit the Weber Dairy in Joliet today. Mrs. Larry Istel of Mokena will assist Mrs. Crisman with the children.

Mrs. Richard Pokorny, Mrs. Marcel Halik, Mrs. U. S. Madden, Mrs. D. M. Owen, and Mrs. William Malloy, enjoyed a luncheon at the Spinning Wheel in Hinsdale Wednesday.

Members of Cub Pack 41 met Wednesday after school at the home of their den mother. The boys practiced their skit for

Circus Time, that they will present at the Pack meeting tonight. They made their own costumes for the skit.

Members of the Lincolnwood kindergarten class will enjoy their end of school picnic at the Ronald Crisman home May 29 from 10 a.m. to 1 pm.

Mental Health Chairmen Visit Tinley Hospital

About 30 women, mental health chairmen of the Illinois Federation of Women's clubs of the third district, visited the Tinley Park State hospital on two days last week.

The groups toured the hospital. Discussions were held and refreshments served.

On June 18 and 19, the first orientation class for volunteers will be held at the hospital. Any one desiring to join the group should register by June 13. Information on the volunteer program may be obtained by contacting Mrs. Alma Young, supervisor of volunteer services program, at KEllogg 2-4355, extension 21.

THE NEWS-BULLETIN
Mokena, Illinois
Thur. May 22, 1958 Sec. 2 Pg. 1

"... a free press is essential to political freedom and conversely, governments which do do allow freedom can not permit a free press. Today in over half of the world: in Russia, in China, in Egypt, in Hungary, wherever dictatorship rule, the press is muzzled. In such places only good news—news favorable to those in command—is printed, and no editorial criticism is allowed."

Read Acts 16:9-13

Have no anxiety about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. (Philippians 4:6.RSV).

A contractor and a future home owner were discussing plans for a new house. Looking at a rough sketch of the floor plan, the contractor asked "What is this small extra room marked 'prayer room'? I haven't seen any plans like this before except possibly in magazines. I never thought I would be asked to build one!"

The young man replied "God has created all the raw materials from which everything is made that will go into my new home. I want a place in it where I can, undisturbed, thank Him each day, for it and all His other blessings."

"I think you have a wonderful idea," the contractor said. "I would like a chance to build this prayer room into your home."

Whether or not a special prayer room is built in every house, prayer itself in the home can be an everyday occurrence. There should be a place for it.

PRAYER: Our Father, we would express now our thanks to Thee for Thy blessings. Teach us to give ourselves to prayer daily in our homes to thank Thee for Thy love and guidance, to seek Thy will for our lives, to give us Thy love and ings, in Jesus' name and for guidance, to seek Thy will for our lives, to give us Thy divine help in all our undertakings. His sake. Amen.

THOUGHT FOR THE DAY

The building of the Holy Spirit begins when a man pours out his heart to God.

CHRISTIAN SCIENCE CHURCHES

The healing power of Christ, Truth will be stressed at Christian Science services Sunday in the Lesson-Sermon entitled "Soul and Body."
Christ Jesus' healing of Simon's wife's mother who "was taken with a great fever" (Luke 4) will be among the selections read from the King James Version of the Bible.
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (210:11-16):
"Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation."

Builder Sues When Village Refuses Permits

(CNS)—Village of Worth has been sued for refusing to allow construction of single family residences on 37 lots in Peak's Mar-De Estates subdivision.

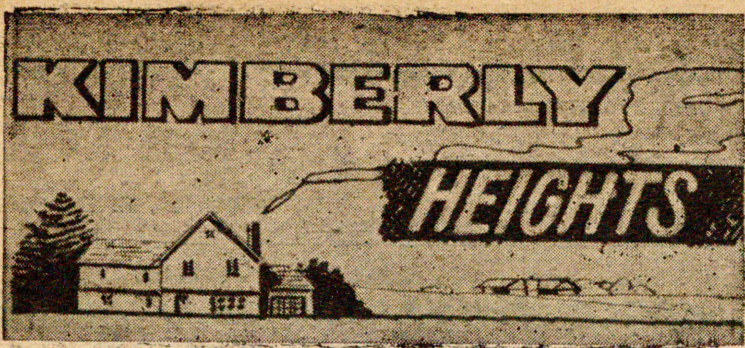

Jacob Kats, joined in as co-plaintiff, contending he has a right to build a garage on a lot in the Katz Construction Co., 11201 S. 73rd ave., Worth, filed the suit in Superior court, seeking a writ of mandamus directing officials to issue them permits and licenses.

The section (the area) of Mar-De Estates subdivision involves is bounded by 111th st. on the north, the Cal-Sag channel on the south, from 600 feet east of Roberts road to Westwood drive.

Attorney Franklin Chino represents the plaintiffs.

Applications for permits and licenses were turned down by the village April 25, the suit said. Size of lots are 80 by 130 feet, Chino said.

Officials named defendants along with the village are Mayor Vernon Templin, Building Commissioner Harry Boersma, Clerk Mary B. Plahm, and Trustees Henry Boersma, E. E. Hedlun, Charles Hart, Charles Pessek, and Ina Sundquist.

By MRS. H. E. DONOVAN

The meeting of the general membership of the Homeowners' Association held Sunday at the Mersmann home, was attended by a very substantial number of the residents, and a wide range of topics of community interest came up for discussion. A more detailed report of the actual proceedings will be written by the secretary of the association in her minutes, but I shall mention here just a few of the highlights as I remember them.

Harold Kenworthy, chairman of the school committee, reported that the bonds for our new school have been sold, plans for the building have been completed, and bids are now being taken. Work is expected to start on the building a month or so after the contract has been awarded, so that the school should be ready for operation early in 1959.

Harold DeRuntz reported that he will not have any definite information on road maintenance until sometime in June.

George Ames stated that the liaison committee is trying to obtain a complete list of all property owners, so that they may be notified of the provisions of the covenant.

John Witte, treasurer and membership chairman, announced a paid up membership of 56, and there were several more new members who signed up after the meeting.

The Rev. Walter J. Damer of the Presbyterian church offered the use of their duplicating machine, so that it will not be necessary for the Association to purchase one.

In connection with the discussion of the proposed picnic and other future social affairs, it was decided that there should be a social committee formed. Alfred Kanzler accepted chairmanship of the social committee with the following helpers: L. H. Scott, Gordon Scheutz, Harold DeRuntz, James Dunne, Alice Cheney and Evelyn Donovan.

A copy of a pamphlet issued by the Cook county health department on the proper use and maintenance of septic systems was distributed.

When Leland Rayson, township assessor, arrived, the discussion turned to real estate taxes. Mr. Rayson outlined the assessment procedure followed by the fieldmen of the Cook county assessor's office, who make the actual assessment, and he also answered the many questions which those present asked with regard to their particular case.

He suggested that if you feel your assessed valuation is too high, you should visit the county assessor's office on the 3rd floor of the county building, and check the field card on your property. This field card has a picture of the building, and shows all particulars on which the assessment was based, such as square feet of living area, type of construction, number of baths, type of heating etc. There is always a possibility that there may have been a mistake made which might affect the assessed valuation figures, so that it is well to check these records in the beginning.

Our Den 1 were the side show attractions: Craig Rennpage, the strong man, clad in tights and a leopard skin; his clown assistant and announcer of the attractions, Dick Klecka; Neal Mersmann, the snake charmer, with oriental robe and turban; Bob Orsinger, the sword swallower, with dashing mustache, and a Spanish air; and Larry Donovan, who played the Siamese twins, with the twin, a stuffed dummy fastened to his back.

Cub Scouts

All the familiar characters of circusland were in the parade at the last pack meeting of the season of Cub Scout pack 255, held last Thursday.

Each den presented its act in the ring, to thundering applause from the most appreciative audience in the world—the kids' own families.

When a middle-aged man looks back 20 years, he says he was then in his prime. When a middle-aged woman looks back 20 years, she says she was in her prime.

—The Lovington Reporter.

New York and San Francisco Fairs commemorated the 150th anniversary of George Washington's inauguration.

Why do you drive like you do? Safety psychologists are looking for the answers. In a recent research project, undertaken by the Institute for Safer Living, a psychologist uncovered three mental factors that contribute to many safe driving violations: (1) Widespread unconcern about being arrested on the highway. (2) Lack of fear of being involved in an accident. (3) A conviction that

Jim Conway, CBS Television Star of "In Town Tonight," meets Mrs. Robert Jarchow

"Just imagine, this whole meal was cooked to a turn while I shopped!"

"Electric cooking is so automatic, it's like having someone else do the cooking for you!"

says Mrs. Robert Jarchow, of Northbrook, Illinois, a leader in the Northbrook Service Club, school organizations, and civic and charitable groups.

JIM CONWAY: Mm-m-m-m. A rib roast, baked potatoes, broccoli. What's for dessert?

MRS. JARCHOW: Baked Cherry Delight, Jim. A whole meal ready for me to take out of the oven and serve... and all I did was set the controls before I went shopping. That's how easy automatic electric cooking is!

JIM CONWAY: I know, Mrs. Jarchow, and the nicest thing: anyone can have it just that easy with a modern electric range... 'cause there's no doubt about it, they're completely automatic and foolproof. As you say, you just set the dials and the electric range takes over... food comes out cooked exactly the way you want it, when you want it. Electric cooking is economical, too... only 7¢ a day for the average family.

MRS. JARCHOW: And another thing I like about it, Jim... it saves time; gives me a lot more time to be with Bob and the youngsters... and extra time for volunteer work. I have a lot more energy left at the end of the day, too. Now that I've experienced electric cooking, Jim, I wouldn't put up with any other kind!

JIM CONWAY: I'll bet your husband wouldn't either... not when you put meals like this on the table!

Every day, more modern women

7th Grade Pupils Will Honor Graduates At Dinner Dance Monday

By LILLIAN KNOX
Phone Fieldbrook 9-0211

Mrs. Ted Ludes, PTA room mother chairman, and her committee; Mrs. Elmer Libner, Mrs. Clark Hodges and Mrs. John Higgins, are completing plans for the dinner dance the 7th grade are giving to honor the 8th grade graduates on Monday, May 26. The dinner will be held in MacKenzie's blue room at 6:30 p.m., after which they will go to the school gymnasium for dancing.

Special invitations have been sent to all 8th graders for this Rainbow Hop and the gym will be decorated in rainbow colors, balloons and maypole. Of course, there will be corsages for the girls.

Card tables are being placed at one end of the gym so the students can rest between dances and refresh with coke and potato chips.

Six parents have been chosen to act as chaperones. The dance will be over at 10:00 p.m. and all parents have been notified to make arrangements to meet their children after the dance so they will arrive home safely.

The Esther Circle of Orland Park Methodist Woman's Society of Christian Service will meet in Wesley Hall, Thursday, May 29th at 11 a.m. Those attending are to bring a sandwich, coffee and dessert will be served by the hostess committee.

Elect Officers

At it's regular monthly meeting on May 15th, St. Michael's Guild elected the following officers for the new term: President, Mrs. Francis Beck; vice president, Mrs. Frank Graben; secretary, Mrs. Robert Peterman, and treasurer, Mrs. John Thompson.

Plans were discussed for the forthcoming Country Fair, which will be held Sunday, June 22, in the school auditorium.

The Guild will also hold a roller skating and card party Saturday, June 7, at which both adults and teenagers will be welcome.

The \$1 admission will also

include refreshments. Proceeds from this party will be donated to the School Fund.

Laurel Camp 1796, Royal Neighbors of America will meet at the home of Mrs. Marie Heiting, Thursday evening, May 22, at 8 p.m.

Memorial services will be held at this meeting, for the departed members. Flags will be placed on their graves on Memorial Day. Members are urged to attend.

The Goodwill truck has failed to make monthly stops in Orland at the home of Mrs. Karl Ekberg, for pickups, so hereafter she will not accept any more articles for the Goodwill Industries.

Honor Mothers

One hundred and thirty-five mothers and daughter were served at the Mother-Daughter banquet in the Methodist church parlors, Thursday, May 8th. The men of the church did a very fine job of serving. The table decorations, made by Mrs. George Flondor, were artificial sunflowers in various colors with painted faces in the center, set in flower pots, pink nut cup favors, flowers also with a face, protruding in the center. The program included group singing, with Mrs. Bill Adams at the piano; a piano solo by Ella Loebe, Mrs. P. F. Fridley of Lemont Methodist church, guest speaker, presented a few solemn selections on Mother and a humorous selection, "Life Among the Savages", by Shirley Jackson which kept the group in laughter.

Plants were awarded to the following mothers: Mrs. Thomas Cooper, having the most grandchildren; Mrs. Katherine Brandau, the most great grandchildren; Mrs. Matthew Molitor, the youngest grandmother; Mrs. Matt Ludwig, the oldest mother; Mrs. Henry Wolske, Sr., the most children; Mrs. Gordon Powell, Jr., youngest mother; Mrs. Paul Cooper, the youngest baby; Mrs. Charles Crane, newest mother in the community; Mrs. Elmer Newton, having taught Sunday School classes the most number of years and Mrs. John Loebe, being a mem-

ber of the church since 1899.

The total amount to date collected for the American Red Cross fund drive for 1958 in the Orland area is \$311.78. Certificates of Appreciation have been mailed to the following volunteers: Mrs. Joseph Kaiser, Mrs. Charles McKinley, Mrs. Frank Buck, Mrs. Elmer Libner, Mrs. Foster Myrick, Mrs. Wm. Horton, Mrs. Karl Ekberg, Miss Joan Reish and Miss Betty Uthe. On behalf of the Red Cross and chairman, Mrs. Knox, a Thank You to all the volunteers, donors, also for contribution sent thru the mail.

The Orland Park firemen were busy again this past week-end. They were called to a brush fire, at 167th and the Wabash tracks, Friday; and late Friday afternoon, to sheds burning on the Ira Palmer residence at 135th and Wolf rd. and on Saturday afternoon, a manure pile at 151st near Harlem.

and Mrs. Harry Pihl, co-chair. Mrs. Karl Ekberg, chairman, man for the American Cancer drive for funds wish to express their thanks to the many volunteers and donors who contributed toward this fund which totaled \$420.00.

Patsy Reish, daughter of Mr. and Mrs. Earl Reish, celebrated her 11th birthday with a party Sunday, May 18.

Harry Rauch celebrated his birthday, Saturday, May 17. His children and their families gathered at his home in the evening to help him celebrate.

Mr. and Mrs. Oswald Janisse have returned from a trip to their home town, Walkerville, near Windsor, Canada, where they visited relatives whom they hadn't seen for five years.

Mr. and Mrs. Harry Heiting were dinner guests of Mr. and Mrs. Ray Stooges of Dolton Thursday evening.

Mr. and Mrs. Harry Heiting watched the parade and ball games in Homewood, Sunday. Their son, William is president of the Little Leaguers of Homewood of which 422 boys participate in games. The Homewood school band provided the music for the parade. Various business houses took part in the parade, which was to promote interest in the League's activities. The boys played ball after the parade.

Mrs. Lloyd Cowan, who underwent surgery, is home and convalescing nicely.

Our surety is in our confidence that we are indeed dwellers in Truth and Love, man's eternal mansion.

—Mary Baker Eddy

"The automobile is such a strong instrument of self-expression that it has replaced house, home, and motherhood as a gauge of security and success."—The Earlville Leader.

"A nation-wide poll on the reveals that in every section question of 'right-to-work' laws of the country, the public generally approves of them while union members are against them."

—Sisseton, S. D., Courier.

Business and Finance

By MAURICE P. ANGLAND

Each generation criticizes its predecessor for not having taken advantage of opportunities that are crystal clear in retrospect. Probably no previous generation has had the opportunities offered to this generation.

Alertness to changes has always been a prime essential of a successful business, but today this alertness is compelling. Business Horizons, a publication of Indiana university school of business had this to say on this subject:

"In this wildly imaginative technical world in which we find ourselves, a business manager should not sleep too easily at night unless he accepts the fact that there is a better way to do everything that he does and a better way to make everything that he makes, and unless he is determined, himself, to engage in disciplined, effective research to obsolete his own ways and his own products."

David Cort, former editor of Time magazine, in his "The Big Picture", notes that a man aged 55 in 1950, had scarcely been born when the automobile, wireless telegraph and x-ray were invented—not marketed—just invented. A man of 47 in 1950 was born in the year the Wright brothers made their first glider flight. The Encyclopedia Britannica (11th edition) of World War I days explained principles of aviation with 13 pages of analysis of flight of birds and four pages to the "flying machine." A man of 35 in 1950, was born into a world of horn Victrolas, crude silent movies, no commercial radio, no self starters for cars, no

electric car lights, no mechanical refrigeration, no vacuum clean machines or vacuum cleaners and no air conditioning. In those days only about 20 per cent of homes had indoor plumbing.

Mr. Cort reviews world progress by noting the number of true scientific discoveries and the rate of such progress up to 1620, the number of such key inventions was 150, by 1850 it was 450, and in 1920 it had tripled to 1450, and in 1950 it was about 20,000. We have come to accept new inventions and discoveries almost placidly.

Until forced by demand for sudden and sustained increases in producing better and more items for military needs of World War I, many inventions stayed in the laboratory. For instance radar principles were invented about 1922. Intensified use was forced by World War II.

New inventions and discoveries make old plants, methods and products obsolete. Today invention and scientific study is no longer the hit and miss method of the past. Most of the better firms have highly developed research departments. Research teams in industry are

working hard to create new and better items and methods.

In 1950 about \$1 billion of business budgets were devoted to research. In 1957 this sum was about \$7 billion and constantly rising.

Studies show that on the average, it takes about seven years between start of research and commercial marketing of new products.

New products and methods demand new capital investments in plant and equipment for firms to maintain their competitive positions in their industry. Entire new industries will arise.

Business analysts expect the next few years to see a sudden increase in such plant investments as a result of concentrated research of the past eight years.

"Senator Goldwater believes that high tax rates are actually a major source of inflation, because they are 'a limiting factor on personal and business savings, and thus result in excessive pressure on the banking system for capital which should have come from current income.'" —Brookville, Pa., American.

Fields are won by those who believe in winning.

—T. W. Higginson, Thur. May 22, 1958 Sec. 2 Pg. 5

100 Guests At Annual Mother-Daughter Dinner

By KATHARINE HEISNER
Phone Frankfort 5187

The annual Mother and Daughter banquet of the Methodist church was held last Friday in the church basement, with 100 guests attending.

Toastmistress was Miss Janet Johnson. Mrs. Rebecca Hynson of the Garrett school in Chicago (the negro cook) was the guest speaker, her topic was "Christian Mother."

Invocation was given by Mrs. John Vautrin, Welcome, Mrs. Alfred Krapf, Response, Mrs. William C. Bettenhausen.

Toast to mother, Miss Darlene Diment, Response to daughters, Mrs. Norman Gill.

Mrs. Norman Krapf, accompanied on the piano by Mrs. Clarence Johnson, led the group in singing. Two duets were sung, one a Mother and Daughter duet by Mrs. Chester Steinberg and daughter Nancy, the other by Rita Weber and Diana.

Mrs. Earl Bettenhausen was in charge of the special recognition. Oldest mother, Mrs. Lucinda Sprague, Mrs. Vautrin's grandmother; youngest mother, Mrs. Norman Gill, youngest daughter present, Holly Dee Vautrin, coming the longest distance, Mrs. A. Provence of Mazon, Ill. Benediction by Rev. John Vautrin.

The executive board, old and new, of the WSCS of the Methodist church met at the home of Mrs. Emil Andres Tuesday evening.

Mrs. Glenn Nagel was hostess to her pinocle club Wednesday afternoon.

The Always Faithful class of the Methodist church met at the home of Mrs. Norman Krapf Wednesday. Hostesses and committee members were Mrs. Richard Borms, chairman. Co-chairmen were Mrs. Wesley Bettenhausen, Mrs. Siegfried Beckman, Mrs. Fred Diment, Mrs. Emil Andres, Mrs. Clayton Davis and Mrs. Norman Krapf. The business meeting was conducted by Mrs. Harold Ullrich. Election of new officers was held.

MANY A TRUTH

A salesman who was trying to sell a home freezer to a housewife pointed out: "You can save enough on your food bills to pay for it."

"Yes, I know," the woman agreed. "But you see we're paying for our car on the carfare we're saving. Then we're paying for our washing machine on the laundry bills we save, and we're paying for the house on the rent we're saving. We just can't afford to save any more right now."

"An old timer is one who can remember when saying a friend had gone to his ever-lasting rest didn't mean had landed a job with the government."

Peotone Plans Homecoming; Opens May 30

Peotone's Homecoming celebration, sponsored this year by Peotone American Legion Post 392, will be held Memorial Day week-end. The program of

events will open at 6 o'clock Friday night, May 30, and will continue until 11 o'clock Sunday night, June 1. One of the major attractions will be the parade scheduled for 1:30 o'clock Sunday afternoon. James Stevenson will be in charge of this event and he is urging business places and organizations to enter floats. Prizes of \$75, \$50 and \$25 are being offered. For comic entries the awards are to be \$15, \$10 and \$5. Stevenson re-

ports that he has already lined up a number of color guards, drill teams and bands. As usual the Chamber of Commerce is cooperating and will offer many valuable prizes. Merchants' prizes will be given away at 6, 8, 9 and 10 o'clock on Friday. On Saturday they will be given away at 3, 4, 6, 8 9 and 10 o'clock. At 7 o'clock each of these nights, the colors will be presented and this will be followed by a

program of local talent directed by Mr. and Mrs. A. M. Fodor. At 11 o'clock each of the three nights, prizes of \$100, \$50 and \$25 will be given away. On Sunday night at this hour the \$500 cash grand prize will be awarded. A special show of professional talent will present the program of free entertainment at 7 o'clock Sunday night. The parade will form at the

grade school and will proceed north on West street to Sumner avenue, east on Sumner to Second, south on Second to Main, west on Main to First and south on First to the grade school. The reviewing stand will be located at the corner of Second and North streets.

GAS Water Heaters NOW Faster Than Ever!

GAS water heaters have long been preferred for their "fast-recovery" feature—the ability to replenish the hot water supply almost as fast as it's used. Today's units are faster-than-ever! They incorporate newest engineering advances that step up "recovery"—provide generous reserves of hot water. Only a modern GAS water heater can meet the needs of today's family requirements—of those thirsty appliances you now have—or plan for the future.

Only GAS is so fast... so efficient... so economical!

GAS supplies all the Hot Water you want...at HALF the Cost!

Look! These outstanding features...available on today's GAS Water Heaters. Choose from these quick-recovery, famous-name brands.

A.O. Smith

...With exclusive Permaglas® steel tank. This special-formula glass lining resists corrosion; bonds tightly to tough Hydrasteel.

RUUD

... Heavy steel with top quality inner coating of porcelain enamel or aluminum alloy tank resist corrosion and gives long life. Automatic temperature control—lets you DIAL the temperature you want.

JOHN WOOD

...Sturdy, long life galvanized steel tank. Positive-action thermostat plus special Heat Flue with Heat Retarders heat more water at less cost.

Rheem

... Rheemglas tank lined with special quality glass for longer life. Ends rust and corrosion. Extra-thick fiberglass insulation seals heat in; water stays hot hours longer.

REX

... "Home-Rated" to deliver all the hot water your home requires. Sturdy tank of copper-bearing steel with electrically-welded seams. Pressure-tested and guaranteed for efficient long life.

GAS Water Heaters are better because...

FASTER recovery...

GAS water heaters supply more hot water—even faster than before! New, greatly-improved design and highly efficient engineering give you a ready supply any time.

ADJUSTABLE to every job...

GAS water heaters immediately adjust to exact water temperatures for the job at hand. You'll find this fuel-saving, work-easing feature on almost all models as well as on the built-in under-counter models, too.

GREATER ECONOMY of operation...

Thrifty, low-cost GAS saves you dollars on heating water! In fact the savings made every month can pay the entire cost of a new, modern GAS water heater in about three years.

Take advantage of our SPECIAL ALLOWANCE

on your old water heater—plus LOW, easy-to-pay terms.

Only \$500 DOWN

Auxiliary Police Plan Summer Party For Kids

By MRS. EMIL WILLE
Phone Frankfort-3181

The Auxiliary Police organization is planning a party for the children in the community to be held this summer. Plans are still incomplete, but a dog show will be one of the exciting events, with Harvey Arnold, owner of the Maida Manor Kennels, presenting his German Shepherd canines.

The organization decided at the meeting held in the Ann Rutledge school Sunday to donate \$50 to the Babe Ruth baseball league.

During the summer months, the Auxiliary Police will hold only one meeting a month, on the third Sunday.

Attend PTA Convention

Calvert Heath Jr., and Donald Ball presented convention reports at the Parent-Teacher association meeting last week, supplemented with slides taken on the trip to Springfield, which proved most enlightening to members who had never attended the convention.

Mrs. Frank Chmelik, state chairman of Congress publications was the speaker. She was introduced by Mrs. Donald Ball, program chairman, and she gave a detailed outline on read-

ing material which is available for parents.

Annual reports were given by the various chairmen at this last PTA meeting of the school year. George Kaehler, Council delegate, reported on the last Council meeting. Jay Bissell and John Van Donk volunteered to audit the treasurer's books.

Hold Installation

The following members were installed as officers for the coming year by Mr. Bissell: Calvert Heath Jr., president; Mrs. John Tyler, vice president; Mrs. Donald Scates, secretary; and Donald Ball, treasurer.

The opening Pledge of Allegiance to the flag was led by Donald Ball. The PTA prayer was read by Mrs. Charles Jones.

Mrs. Walter Niedringhaus presided at the business meeting.

Those serving on the bake sale held Saturday were Mrs. Donald Ball, Mrs. Stanley Baisie, Mrs. Frank Kovar, and Mrs. Walter Niedringhaus.

Refreshments were served by Mrs. Jay Bissell, Mrs. Leonard Cummings, Mrs. Clinton Edmonson, and Mrs. Robert Wheeler.

Play Day

Play Day and Step-Up Day will be held at the Ann Rutledge school on Wednesday, May 28. All children living in the community who will enter first grade in September, regardless of the school they will attend, are invited to the Play Day.

The teachers and room mothers will give a wienie roast for the children, beginning at 12 noon. Games will be played in the afternoon.

The annual banquet for the graduates, sponsored by the PTA, will be held in the school on Saturday, May 24.

Miss Jeanne Boleman escort-

ed her first and second grade pupils to Brookfield Zoo last Wednesday. Accompanying her and assisting with the group, were Mrs. Donald Seatis, Mrs. Dorothy Ball, Mrs. Walter Niedringhaus, and Mrs. Blevins. Miss Boleman's mother also accompanied them.

Mrs. Robert Wheeler visited with Mrs. Arthur Wilson Monday in Glenwood.

Dennis Wheeler, Northwestern student, was home for the week-end.

Mr. and Mrs. Edward Guth entertained at dinner Sunday May 11 in honor of their son, Tommy, who made his First Holy Communion on that day. Those present were Tommy's sisters, Patricia and Mary, Mr. and Mrs. John Kus and children, Nancy, Larry and Tommy of Downers Grove; Mr. and Mrs. Joseph Brock and son, Mr. and Mrs. Stanley Zalewa, Jimmy and Bernadine; Mr. and Mrs. John Gill and Bobby, Tony and Carroll all of Chicago.

Mr. and Mrs. S. Sgarlotta and son Jimmy of Chicago visited Mr. and Mrs. Ed Guth and family Friday night.

Mrs. Ed Guth and daughter, Mary, went to Chicago last Tuesday to visit with Mrs. Henry Carlson.

Take the wheel... get the Swept-Wing feel!

You spend a lot of time in your car—driving to work, shopping, taking trips. How your car rates on the road is important to you. So all we ask before you invest in a new car is this: Come in and take a "road rate" drive in a Swept-Wing 58

Dodge. Really compare it thoroughly on every count. We honestly believe it rides better, handles easier, responds quicker than any other car you've ever driven. But we'll leave the verdict entirely up to you. You be the judge.

YOU BE THE JUDGE! THINGS TO NOTICE IN THE SWEPT-WING 58:

The feel behind the wheel—You feel different because you sit differently. Low and snug and secure, completely in control, almost a part of the car.

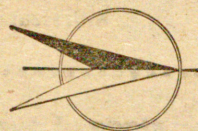

The view around you—The glass area is tremendous. The visibility is outstanding in every direction—front, sides, rear.

The ease of push-button driving—Once you try Dodge Push-Button TorqueFlite you'll never be happy with outmoded lever types. Ladies love it.

A ride that's a glide—There's no sway on curves, no dip at stops. Torsion-Aire is standard equipment, too.

This power steering is different—No power steering is like Dodge power steering. It works full time, yet leaves you the feel of the road.

Horsepower and stopping power—You get up to 320 hp. You get new-design Total-Contact Brakes.

State Installs Warning Light At "Death Corner", 183rd and Cicero

By CHLOE WHITE
Sycamore 8-6620

Probably by this time all of you have noticed, with a sigh of relief, that a warning flashing light has been hung at the intersection of 183rd and Cicero ave. This was brought about by the untiring efforts of a resident of Country Club Hills, namely Cass Brady, 17950 Michael.

About six months ago Mr. Brady first wrote to Russell Kneull, traffic engineer for Illinois. Included in the letter were blueprint drawings of the intersection, labeled as "Death Corner," and a general plan of the topography of the area. Mr. Brady explained at length the dangers existing at this intersection that has claimed so many victims. A series of telephone calls followed, almost two per week, until Mr. Kneull finally agreed to send the report and plans to Governor Stratton in Springfield. In a little over a week Mr. Kneull called Mr. Brady to say that his perseverance had paid off and the light was to be erected as soon as possible.

As one of the residents of the community aid, "Many people talked about doing something about that corner but it was Cass who had the determination and tenacity to see it thru. The entire area is benefited by this light and no one knows how many lives it will save."

Fire Department

The Firemen really did themselves proud last Saturday nite. Their First Annual Dance was a wild success with everyone with nothing but praises and compliments on their lips. In fact, the general consensus of opinion was that it should be at least a Semi-annual affair, no one wants to wait any longer than the fall for another one.

The Department wishes to thank all the merchants of Homewood and Tinley Park who were so generous.

Mr. R. B. Jensen, 18000 Anthony came home with the portable TV while Mr. Ed Wearis, 4471 177th Pl. and Mr. Harold Folsom, 18021 Baker each received garden carts. Mr. Stuart Heidbreder 18037 Thomas, took a steam iron to his wife. There were many other awards, in fact too many to mention them all, but the best award goes to the firemen for a very well run affair.

Just as a matter of question, how many of us realize what happens when the fire siren is blown?

At a meeting last week this happened and immediately half a dozen men were on their feet, out the door and in their cars before the rest of us quite knew what was happening. In less than five minutes the engine was on its way.

It was a very thrilling thing to see these men respond so quickly to a call that could well endanger their very lives, respond for the safety of the community and of its inhabitants.

Some of the volunteers were undoubtedly enjoying a comfortable chair and the evening paper, an interesting TV program, a hot dinner as well as those attending a community meeting, but the important thing is that they left them immediately, with no thought of personal danger. Their's is a project that is pure service.

These volunteer firemen deserve all the grateful appreciation and thanks we can give them.

God grant that none of us ever need them, but how satisfying to know that they are here if we do.

Boy Scouts

The big Bake Sale is coming up this Saturday at the Garofalo Southgate store. All the area Escoffier's will have their best creations for sale and both the Boy Scouts and Cub Scouts,

who are sponsoring the affair jointly, hope to see a good turn out from the Hills.

Mrs. Betty Spencer, SY 8-8641, will take your pledge for a donation and also designate the time for pick up. Pickups will be made either Friday night or Saturday morning.

Proceeds of the bake sale will go toward the purchase of much needed camping equipment.

Bowling

The Country Club Hills Women's Summer Bowling League will begin May 22nd. The women will bowl Thursdays, commencing tonight at 8 o'clock at the Tinley Park Bowling Lanes. Everyone is welcome. Call SY 8-5615 or SY 8-5593 after 7 p.m. for information.

United Presbyterian Church

Plans are being made for the welcoming dinner for the Rev. and Mrs. Pew and family to be held June 8 at St. Paul's Community church in Homewood.

Mrs. Donna Jean Behringer, chairman of the dinner, reports it is to begin at 5:30 o'clock and is to be catered so all the women of the church will be able to enjoy the affair, too. More details as the plans are made but for now be sure to save the date, June 8.

The first general meeting of the Christian Women's Fellowship will be held Monday, May 26 at 8:30 pm. in the Homeowner's House. The Fellowship of the Hometown Christian Church will present the program Mrs. Norman Nelson, temporary social chairman, will be in charge of refreshments. Mrs. Charles Van Horn, temporary chairman hopes to have everyone come to welcome the Hometown group.

Choir will convene once again on this Thursday evening at 8 o'clock in the Homeowner's House. We will have a guest director.

All residents of the community are invited to attend worship services in the Homeowner's House Sundays at 11 a.m. Sunday school for pre-schoolers at the same time, for school age children at 9:30.

Homeowner's Association

At the Homeowner's Association meeting May 13, the committee investigating the pros and cons of incorporation announced that a letter containing all the information they have gathered will soon be printed and mailed to all the residents of Country Club Hills.

The representatives also decided that the time had come to seed the lawn of the Homeowner's Building on Thomas Lane. Mrs. Elmer Wulf was appointed chairman of the "seeding party" and those members who gave up the better part of their Saturday to make the building a little more attractive were: San Sylwestrak, Wes Zimmerman, Jim Lanigan, John Toner, Don West, Gene Landenberger and Ray Winters.

The next meeting of the association will be June 10.

Mother's Club

Well, this coming Sunday, May 25, is the long awaited day of the "Fun Fair" to be held at the Central school grounds, 184 and Central ave.

In addition to the real pony ride, attractions will include a bake sale, dart game, penny toss, grocery basket, fish toss, sewing booth, fish pond and many others. Booths will include: Green Thumb, White Elephant, Jewelry, Children's Books, Records and Toys.

Your children are certain to enjoy the Fun Fair. In addition to being one of the nicest events of the year, it raises money which is returned to the school in the way of gifts from the Mother's club.

Teen Club

Latest communique from Pat White, secretary, reports that the hayride and weiner roast

were very successful. The teenagers wish to express their appreciation to Mr. Panici for the use of his tractor, to Mr. Simmons for driving the tractor and to Edward Lieske of Tinley Park who let them use his wagon and also gave them the hay.

In spite of the rain everyone had a swimmin' good time finally having boiled weiners in the Simmons' garage. Chaperones were Mr. and Mrs. Francis White and Mr. and Mrs. LeRoy Simmons.

The special "dress up" dance will be held on May 31 from 8 to 11:30 and will feature a special combo and the theme will be "Silvery Moon."

Call Pat at SY 8-8297 for information.

PTA

There was a real turnout to watch the 1st, 2nd and 3rd grades perform last Thursday night.

In the business meeting Mary Lou Keys, secretary, reported on thank you letters written for the help given to help pass the school referendum. Also that the treasury has been swelled by a \$15 donation given by Maureen Sylwestrak, Amy Zimmerman, Marilyn Matthews and Mary Lou Keys. It seems these four spent an afternoon addressing envelopes for a private concern and gave their entire fee to the PTA.

Miscellany

Mrs. Rusty Wilson will exhibit an ink and crayon drawing in the coming Chicago Artists Exhibition, to be held at Navy Pier, June 14 to 29.

This drawing is of particular interest locally as it was made last winter on the farm of one of our neighbors one mile west of Cicero Highway. Leonard and Ellen Tryner, at 175th and Central, invited Mrs. Wilson to spend a snowy day at their rambling open farm last January and during that visit she made many ink and crayon drawings of their barns, trees, and open landscape.

The drawing is titled "The Carnival Corn" and is done in subdued tones of grey upon grey—containing one dynamic spot of brilliant scarlet. This color is the corn wagon standing in the snow, containing winter storage corn. The drawing has been professionally framed with a black wide mat and thin walnut border to emphasize the drama of the scarlet wagon.

Rusty has exhibited in the past in a one man show in the Hyde Park area of Chicago, a modern gallery on the North Shore Drive, and has planned and directed exhibitions for Chicago YMCAs and churches. Her commercial work has included writing and illustrating children's stories and designing music covers and original greeting cards. Since coming to Country Club Hills, she has done artwork for the local Protestant church and posters and banners for our many volunteer civic groups.

The John McCormicks, 4420 182nd Pl., had an open house for about 50 friends and relatives last Sunday to celebrate the christening of their third child and first son born two weeks ago in Ingalls Memorial hospital. The boy was named John Jr. and has two sisters, Kathy 3 and Karen 2.

The Bill Ramseys held a pre-dance get together last Saturday before the Firemen's dance. Their guests were the Harry Schlinkers, the Rees Divis', the Bill McLeans, the Marshall Dixons, the Larry Klingers and the Charles Kellys.

Richard Jerome Erwin is the new son of Norma and Dick Erwin of 18100 Anthony. He was born in Little Company of Mary hospital and weighed 7'15".

Mrs. Fred Lines has come to live with her daughter and son in law, Mr. and Mrs. John Toner, 18111 Patrick.

Mr. and Mrs. Milford Bonner of Baker street recently took their two boys Bill, 5 and Bob, 3 on a trip to Reform and Carrolton, Alabama to visit both sets of grandparents.

The Tom Quigleys also got into the mood of the Fireman's dance by having a small soiree in the early evening. Refreshing themselves were the Bill Carrons, the Bob Sliwinskis, the Tom Harmons, the Gus Palumbos, the Bill Coughlins, the Ed Schultzs, the Bill Mannegolds, the Ken Biders and Jack Mur-rays.

Mr. and Mrs. Elwood Spencer 17860 Anthony, had guests from Upstate New York last week. Mr. Spencers mother, Mrs. Hazel Spencer is from Avon and his aunt, Mrs. Mary Magee is from Liverpool.

Well, as that lovable old cynic La Rochefocault once said, "If nobody had ever learned to read, very few people would be in love."

Finis 'till next week.....

University of Illinois College of Law was established in 1897.

Talk of Parish

There is talk in Country Club Hills of the formation of a Roman Catholic parish. There are quite a number of Catholic families in the area who now attend services in neighboring churches, Tinley Park, Homewood or other communities.

Homer

Traditional Memorial Services to Honor War Dead Will Start Sunday

By ELIZABETH B. ANDERSON

Memorial services will be observed at Marley church Sunday evening May 25, beginning at 8 o'clock by a combined group of Homer and Marley people. This is a traditional gathering of friends and relatives which dates back to the days when the Marley congregation worshipped in Hadley, and so were a part of Homer. Many of them still live in this township. Rev. Roy Hanson of Homer church will give the address, and Rev. Ray Hamer of Marley will preside. Special musical numbers will be furnished by each group.

Mr. and Mrs. Daniel Sass and Mr. and Mrs. John Hollister are the committee in charge. Flags will be distributed for placing on graves of soldiers.

On Sunday, May 25, there will also be a program at

Barnet cemetery. Mr. and Mrs. Hollister and Mr. and Mrs. George C. Frazer are making arrangements for this program which begins at two p.m.

On May 30, there will be a program and the annual meeting at Brooks cemetery, beginning at two p.m. Mr. and Mrs. James Tilsy, Mr. and Mrs. Alvin Welter and Mr. and Mrs. Otto Konow, Jr., are on the committee. There will be a speaker and special numbers by local young people.

On May 30, there will be a program and the annual meeting at Brooks cemetery, beginning at two p.m. Mr. and Mrs. James Tilsy, Mr. and Mrs. Alvin Welter and Mr. and Mrs. Otto Konow, Jr., are on the committee. There will be a speaker and special numbers by local young people.

Pot-Luck Supper

For the final meeting of the school season, the Mothers' club of district 33-C enjoyed a pot-luck supper at the school Thursday evening. Election of officers for the fall term resulted in Mrs. Don Reid being chosen as president, Mrs. Russell Schaeke, vice president, Mrs. Ralph Cagwin, secretary and Mrs. Jerome Paddock, treasurer. Plans were discussed for a style show to be held some time next fall and Mrs. Richard Karrasch was appointed to investigate the details. Games were played and prizes awarded.

The 33-C school picnic will be held at Dellwood Park the afternoon of May 25 at 12:30. Each family is asked to bring their own table service, a meat dish and a dish to pass.

On Friday afternoon, Mrs. Iola Storm and Mrs. Roy Hanson attended the Spring luncheon of the Will county Union of King's Daughters at the First Lutheran church in Joliet.

Rural Life Day

Mothers' Day and Rural Life Day were fittingly observed at Homer church last Sunday morning when Rev. Hanson effectively combined the two themes in a sermon called "Providence." Special music was furnished by the choir with a solo by Mrs. Hollister. As a climax to the service, the pastor was assisted in a "Drama of Dedication" by Lee Phillips, Susanne Burcham and John Filipowicz. Flowers were furnished by Mrs. F. J. Paddock and Mrs. Henry Rodgers, and the P. F. group presented each mother with a dainty corsage.

The Joe Vancils of Downers Grove and Mrs. Ira Anderson

were Mothers' Day supper guests in the Ray Carlson home.

A large group of Chicago relatives and friends were entertained in the Steven Karowski home on 143rd St. Sunday, May 11, to celebrate the First Communion of their son, Steven Alan, and the birthday of their three year old daughter, Sharon Mary. Other Homer young people who received First Communion at eight o'clock Mass in St. Alphonsus' church, Lemone, on the same day included: Mary Jo Lack, 147th St., Christine Rubis, 139 and Elm, Kenneth Mraz, and George Barbeault of Creekwood.

Glenn Johnson is recuperating at his home near 143rd, after a tonsil and adenoid operation in Silver Cross hospital last Friday.

The Women's Auxiliary of N. W. Homer Fire department held a drawing at their meeting last Tuesday evening at which time Mrs. Delores Spencer of Spring Creek Wood subdivision won a set of dishes; Mrs. Caroline Jungles, 143rd and Elm, an electric frying pan and Mrs. Sylvia Kennedy, a deep fryer.

Mr. and Mrs. Fred Kopleman, Miss Darlene DePra and Mrs. Norman Laufer and children spent the past week-end in Reading, Mich., where they were called by the death of Mrs. Kopleman's cousin, Miss Emma Bell.

The pupils and teachers of Reed school made three field trips during the past week, which included visits to Brookfield Zoo and the Museum of Natural History.

"The king of success that turns a man's head always leaves him facing in the wrong direction."

—Mt. Pulaski Times-News.

LEGAL NOTICE

NOTICE OF SPECIAL ELECTION SCHOOL DISTRICT NUMBER 136

NOTICE IS HEREBY GIVEN that on Saturday, the 14th day of June, 1958, an election will be held in and for School District Number 136, Cook County, Illinois, for the purpose of voting upon the following proposition:

Shall the maximum tax rate for Educational purposes of School District Number 136, Cook County, Illinois, be established at .92 per cent on full, fair cash value as equalized or assessed by the Department of Revenue, instead of .71 per cent, the maximum rate otherwise applicable to the next taxes to be extended?

(It is estimated that the approximate amount of taxes extendable for Educational purposes under the proposed rate is \$13,168.00, and the approximate amount of taxes extendable for Educational purposes under the existing rate applicable to the next taxes to be extended is \$10,162.00.)

For the purpose of the said election, the entire School District shall constitute a single election precinct, and the polling place therefor shall be the Orland Center School, Southwest corner of 94th Avenue and 151st Street, Orland Township, Cook County, Illinois.

The polls for the said election will be opened at four o'clock P.M. and will close at seven o'clock P.M. (Central Daylight Saving Time) on the same day.

By order of the School Directors of said District.

DATED this 22nd day of May, 1958.

STANLEY COOPER
President of School Directors of School District Number 136, Cook County, Illinois
EMIL RECHKEMER
Clerk of School Directors of School District Number 136, Cook County, Illinois

Spring Brings Birds of Prey, Merchant Warns

Along with the return of the robins and bluebirds, spring always brings back some unwelcome birds, Ray Shank, manager of the Orland Park branch of I.N.R. Beatty Lumber Co., warned today.

Among the intruders are the unwary sap-tappers and the fast-talking hoodwinker, Shank said.

These birds of a feather who

flock together are known in the home building trade as the "suede shoe boys", he said, and each year they bilk small home owners out of thousands of dollars for shoddy and inferior home repairs.

"Typically," Shank said, "a smooth-talking salesman will call a home-owner, tell him his home has been selected to serve as a 'model' in the neighborhood and quote him a so-called discount price.

"In addition, the high-pressure salesman will promise the owner a cash bonus for every job the company obtains as a result of someone seeing the 'model'.

"There have even been cases in which the victim has been talked into falsifying statements on loan applications, or leaving blanks for the salesman to fill in as he wishes."

"The home owner usually gets his repair or modernization job all right," Shank said, "but the work is not only costly but generally inferior and cheap looking.

"Few, if any of the promised bonuses are ever paid before the salesman moves on to another territory and a new crop of unwary homeowners.

"This warning is not intended to discourage home repair plans," Shank said, "Dealers all over the country have campaigned for home upgrading and neighborhood rehabilitation.

"We are aware that proper upkeep adds to its comfort, appearance and value. We know too, that there are many local firms offering repair services, that are legitimate and capable of doing a professional job." He advised homeowners to deal only with reputable and established firms.

"And never let anyone talk you into falsifying or leaving blanks on an FHA application for loan insurance," Shank warned. "Regardless of what any salesman says, it's a fed-

eral offense.

"If you are contacted by any of these confidence men, your local police should be notified. In one large city recently, almost 100 convictions were obtained as a result of a single complaint."

University of Illinois has conferred 143,668 degrees in its first 90 years.

Women's League At Trinity Church Holds Annual Fashion Tea May 27

By DELORES ANDERSON
New Lenox 3651

The Women's League of Trinity Lutheran church will sponsor its annual fashion show and pink tea, in the church dining room next Tuesday, May 27, with showing in both afternoon and evening, beginning at 1:30 and 8 p.m.

Mrs. M. Peterson is chairman of the show. Tickets may be purchased from members of the League, or by phoning Mrs. Amos Bruns.

Hostesses for the afternoon will be Mrs. Jane Anderson, Mrs. Bertha Londahl, and Mrs. Mildred Schultz. Evening hostess will be Mrs. Cele Ruder, Mrs. Adalade Ruhle, and Mrs. Gertrude Jarchow.

Models will be: Sherry Davis, Margene Zarse, Mildred Buckler, Mrs. Rathert, Evelyn Bowman, Florence Haas, Gerda Seivert, Karen Ruthenbeck and Cathy; Shirley Zarse Barbara Piercing, Carol Ruthenbeck, Karen Braun, Shirley Schroeder and Linda Ruhle.

Troop 49, Boy Scouts, will have a father and son cook-out at the Scout cabin, May 24, from 6 to 8 p.m. All members of the troop and their Dads are urged to attend.

The first outdoor meeting of the summer for the New Lenox Riding club was held Sunday at the home of George and Eleanor Beutels, with 18 members present. On Sunday, May 25, the club will hold its annual membership horseshow at the Glenn Vally home at 12 o'clock noon. There will be no charge for spectators. The next club meeting will be June 15.

Dance Studio Review

The Minuth Studio of Dance will hold its annual Review at Lincoln-Way high school Sunday, May 25, at 3:30 p.m.

An original review, "Showboat, Show Me", the lead dramatic parts will be taken by Mrs. Lorraine Sider as the mother, and Pamela Brent, as little Rip. The featured drum artist will be David Larson.

Over 100 students of the Studio, will take part in this show.

The New Lenox grade school band entertained with several selections, prior to the business meeting of the PTA, at their final meeting of the year, last Tuesday night in the Haven school. Their selections included a march, overture and a special band arrangement of "Fenderly", directed by Higdon Kinney, band director.

Mrs. Roy Minger opened the business meeting, at which time, the association voted to buy 50 new chairs for Haven grade school, and the remainder of the money made during the year, to be applied on the new piano fund.

It was announced that the National Parent Magazine will go up in price to \$1.50 from \$1.25 per year.

The following newly elected officers were installed: President, Walter Speiss; vice president, Mrs. Helen Bell; secretary, Mrs. Irene Rasmussen, and treasurer, Mrs. Doris Cooper. Delegates to the Council: Jerry Jones, and Jean Howard; alternates: Mary Mooney, and Harry Handorf.

An interesting panel discussion on "The Gifted Child" was conducted by panelists, John Hunter Chapman, Mrs. Theresa Hartman Barnes, and Mrs. Della Hussey. Their discussion told what the grade school and high school are trying to do for the gifted child.

Kindergarten mothers were hostesses for the evening.

Ten students of the Minuth Studio of Dance have been invited to perform at the Peotone Home Coming show, Friday night May 30 and the baton teams of the studio, the "Merry Minutes" and "Split Seconds", will parade in the New Lenox and Mokena parades, on Memorial Day and in Peotone on June 1 at their Homecoming.

New 4-H Club

A new 4-H club was organized, May 13 with Mrs. James McCure as leader, and Mrs. William Becker assistant. The group selected as their name, "The New Lenox Orioles".

Officers for the club are: Lynda Hawck, president; Susan Novak, vice president and scrapbook chairman; Susan Hardy, secretary; Sara Becker, treasurer; Lynn Ann Kubin, program chairman; Jeannie Bogdan, entertainment chairman and Maureen Penley, reporter.

The next meeting will be held Tuesday, May 27 at the home of Mrs. McCure, 176 Oakview drive.

To Teach Dance in Chicago

Mrs. Mildred Minuth, of the Minuth Studio of Dance, has been chosen to be on the faculty of the Chicago National Association of Dance Masters, this year.

She will instruct the teachers in children's novelty work. One of the numbers which she will teach, will be seen in her show Sunday at Lincoln-Way High, and another, the Dog and Cat number, was entered in the talent contest held recently at the high school.

Christening Dinner

Linda Diane, small daughter of Mr. and Mrs. Arthur Rechker, North Cedar road, was christened Sunday, morning in the United Church of Christ at Mokena, with the Rev. William Reimann officiating. Sponsors were, Mrs. Ellen Leighty a cousin, of Monee, and Emil Rechker, Jr., of Orland, an uncle of Linda's. A dinner honoring the occasion, was held at the Rechker home following the service. Guests were, Mr. and Mrs. Lee Leighty of Monee, Mr. and Mrs. Emil Rechker, Jr., and children, of Orland Park, Mr. and Mrs. Paul Passmore of Harvey and Mr. and Mrs. Emil Rechker, Sr.

Marilyn Zusag, daughter of Mr. and Mrs. Ted Zusag, North Cedar road, and a senior student at St. Francis academy in Joliet, was the first representative of the high school section of the diocese to participate in the national contest connected with the National Music Education convention held May 11-15 in Pittsburgh, Pa.

The contest included instrumental, vocal and piano participants. Marilyn represented the high school senior division of the diocese in the piano section. Seniors from high schools and colleges competed.

Her program included: "Prelude and Fugue in D Minor," Bach; "Contata Pathetique, Op. 13," Beethoven; "Intermezzo, Op. 76 No. 7," Brahms, and "Three Fantastic Dancers," Shostakovich.

Miss Zusag's music teacher, Sister M. Clarete, O.S.F., accompanied her to Pittsburgh.

Miss Zusag has participated in the Diocesan piano contest for the past four years. She claimed the trophy awarded to the contestant with the highest average for 1956 and 1957. Another honor bestowed upon

Marilyn this year, is the fact that she has been chosen as valedictorian of the graduating class.

Mrs. Louis McCann opened her home, on Maple road, Wednesday, to the members of the Homemakers group, for their monthly meeting. Her daughter, Mrs. Robert Taylor assisted. Subject for the meeting was Home Made Rugs, and there was a plant exchange among members.

Cardinals Elect Officers

Election of officers took place at the meeting held recently of the New Lenox Cardinal 4-H club, in the home of Joan and Marilyn Zusag.

Elected were: Janet Wise, president; Joan Zusag, vice president; Carol Spector, secretary, and Mary Ellen Wilsterman, treasurer.

Other officers include: Marilyn Zusag, program chairman, recreation chairman and junior leader; Kathy Griffin, reporter; Jill Knowles, scrapbook chairman, and Kay McCure, telephone chairman.

Home Bureau

Members of the New Lenox Unit of Home Bureau and their families will enjoy "Family Night" Friday, May 23 at a 6:30 o'clock pot luck supper in the home of Mrs. Phillip Trieme. Mrs. Joseph Kestel and Mrs. Ben Martin will be co-hostesses. Mrs. Betty Hemphill of Jackson unit will give the major lesson on "Delusion of Joint Ownership."

Circle Elect Officers

Members of the Ruth Circle of the Methodist church met last Tuesday night in the home of Mrs. Ronald Whitaker on Fir street.

New officers elected were: Chairman, Mrs. Paul Crooks; vice chairman, Mrs. Donald Weber, secretary; Mrs. Charles Jungles; and treasurer, Mrs. Harry Cross.

Miss Marilyn Sayers gave an interesting talk on her trip to the United Nations building in New York.

The June meeting will be held at the home of Mrs. Kenneth Kinney, on Francis road.

Members of the Thursday Nites club met at the home of Mrs. John Techman Thursday night. The group spent the evening making milk disc dolls, and presented baby gifts to Mrs. Gene Krohn, and Mrs.

Ralph Stegman. The bakery steamer as a floating hospital. award was won by Carole Nuns of a nursing sisterhood Stockley. went about to care for patients.

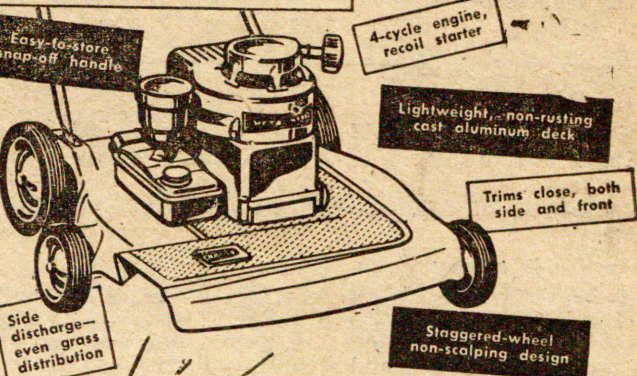

In 1865, after the siege of Vicksburg, the Navy outfitted a confiscated Confederate every year. Since 1878 the population of the United States has increased.

Legion Post Will Have Charge of Memorial Day Ceremonies

By KATHARINE HEISNER
Frankfort 5187

Memorial day will be observed as usual in Frankfort Friday May 30, under the sponsorship of the Bobzin-Swinford American Legion post and its Auxiliary, according to Commander Daniel Hecht.

The program will start at the school grounds at 10:30 a.m. with the school children, faculty, band and all citizens participating, and march to the village hall where a wreath will be placed on the plaque there in honor of those from Frankfort who gave their lives for their country.

From the village hall a motorcade will travel to the Pleasant Hill cemetery. There the school children will sing "Cover Them Over With Flowers," and place flowers on the soldiers' graves.

George Sangmeister, Jr. will read the roll call and the Rev. Ben F. Day will give a short address. The Post's rifle squad will fire the volleys and a member of the Frankfort school band will play Taps.

The post's Memorial activities will really start Thursday night, May 29 when they will sponsor a dance in Sanger ballroom, Tinley Park, the proceeds from which will go to defray the expenses of the trip of the eighth grade graduates from the Frankfort school to New Salem, which they made May 7.

Barbara Uths, Susan Brader, Norma Knieriem and Robert Novota are members of a class that will be confirmed in the Good Shepherd Lutheran church next Sunday.

Mrs. Nancy Hemmrich of Orchard Park, New York is a guest of Dr. and Mrs. Irving Rudman.

Mr. and Mrs. Scherril Rahm and Mr. and Mrs. Ray Putnam attended the bowling banquet of the Ford employees and their wives Sunday at Surmas restaurant.

Mr. and Mrs. Henry Breidert of Briar Wood entertained at dinner Sunday, Mr. and Mrs. Herbert Lambrecht, Mr. and Mrs. Edward Warning, Miss Viola Lankenau, Mr. and Mrs. Fred Kohlhausen, Mr. and Mrs. Burton Breidert and Bobbv. Fred Heusner and Mr. and Mrs. William Wilson.

Mrs. William Koerner visited her sister, Mrs. Clara Grewenig in Joliet Sunday.

Collect Old Clothing

Old clothing for World Service is being collected at the St. Peters Evangelical church. Clothing and parcels may be brought to the church parlors and placed on the platform in that room.

Mr. and Mrs. Franklin Christiansen spent the weekend with the Melvin Guritz's at Lawrence Mich. They all attended the tulip festival Sunday at Holland, Mich.

Mr. and Mrs. Edward Warning will attend the dinner and business meeting this evening at Arch Inn of the Will and Southern Cook County Rural Letter Carriers association.

A son, who has been named Tim Jon was born Thursday, May 15 in Ingalls Memorial hospital, Harvey, to Mr. and Mrs. Lester Peters. The baby weighed six pounds and six ounces. Tim's brother Tom is staying with his grandparents, Mr. and Mrs. Wallace Weichbrodt while his mother is in the hospital.

The Rev. and Mrs. Erich Bizer and Fred Heusner attended the meeting of the Bensonville Home society held in Bensonville Tuesday.

Miss Yvonne Koerner of Hines hospital spent the weekend with her mother, Mrs. Roy Koerner.

Bake Sale

The Good Shepherd circle will sponsor a bakery and handwork sale Friday, May 23, in the

Frankfort Hardware store starting at 1 p.m.

Pentecost Sunday with communion will be observed in St. Peters church Sunday at the 10:30 service.

The Rev. and Mrs. Ben F. Day and family are on vacation. During their absence the Rev. Samuel Weisshaar, presided at the church services for the past two Sundays.

Mrs. Milton Harms entertained in her home Saturday in honor of her niece Norma Jean Smith and her 13th birthday. Sixteen girl friends were guests who enjoyed playing games, followed by luncheon. Norma Jean received many lovely gifts.

Mr. and Mrs. Lester Heisner, Pat, Nancy and Douglas, Mr. and Mrs. Harry Miller, Donna and Lorna and Mrs. Katharine Heisner motored to Leiters Ford, Ind., last Tuesday evening to attend the graduation exercises of the latter's grandson, Edward Lane, son of Mr. and Mrs. Edward Lane of Culver, Ind. The program was held in the Aubeenabbee township high school.

Mrs. Anna Scheer entertained at dinner and supper Sunday in her home, Mr. and Mrs. Albert Stauffenberg of Manteno; Mr. and Mrs. Ed Dorband, Blue Island; Mr. and Mrs. Ed Vollrath and family of Joliet; Mr. and Mrs. Glenn Batson, New Lenox; Mr. and Mrs. Alvin Bruggeman of Green Garden; and Mr. and Mrs. Elmer Batson and Mrs. Paul Heisner.

Mrs. Herbert Folkers attended the executive board meeting of the Trailway Girl Scouts at Joliet Wednesday evening.

Mr. and Mrs. Fred Johns of Holbrook spent Sunday afternoon with Mr. and Mrs. Roy Thoresen. Friday evening guests of the Thoresen's were Mr. and Mrs. Norvin Rabe of Steger and Mr. and Mrs. Virgil Carmichael of South Holland.

Unusual Program

An unusual setting for the mother-daughters banquet given in the Frankfort Methodist church May 13, brought forth much favorable comment from the 125 guests attending.

The affair was conducted as a sewing class with Mrs. Norvin Foster as teacher, assisted by her daughter Norvene.

The dinner was prepared by the WSCS with Mrs. Clinton Mark chairman, and was served by the members of the Mens club with Albert Swatek, chairman assisted by Duane Warning. Mrs. Jacob Hostert gave the invocation.

Following the serving the program started with singing led by Mrs. Ralph Moyer with Anne Cummins accompanying at the piano. A minuet was danced by Mary Ann and Martha Otto; Leona Guzik gave a piano solo, "Sonata Pathetique by Beethoven", and the Lincoln-Way Girls' ensemble entertained with several selections under the direction of Thomas Olson, accompanied by Gene Cline.

A fashion show was given in which Debbie Day and Debbie Heath were given awards. Their mothers made their own and their daughter's dresses. Mrs. Ben F. Day was especially honored for having made three dresses for the occasion which included the dress worn by her mother, Mrs. Gordon Telfer of Morris.

Prizes were awarded to three "eighty plus" ladies: Mrs. Emma Gierke, Mrs. Lilly Herschbach and Mrs. Gertrude Valentine.

The youngest daughters present were Elaine Hecht, nine months old, and Pamela Hren, 15 months old.

Mrs. John Hostert, Calgary, Alberta, Canada, was honored for having come the farthest

Cub Scouts to Hold Picnic Next Wednesday

Mokena families with Cub Scouts as a part of the circle have no need to make plans for dinner next Wednesday evening. The Cub Scouts have arranged the evening for them. If the weather permits the Cubs are to have a picnic May 28, in Mokena Community park, beginning at 7 o'clock.

The picnic will be in the form of a potluck supper and all Mokena Cub Scouts and members of their families are expected to attend the event.

At the meeting of the Mokena Band Boosters held May 15 in the Carpenter st. school, plans were made to continue the band practice for six weeks after the closing of this school term. Starting June 23 and ending Aug. 1, the band will practice, under the direction of their leader, Perry Friedman, three times a week.

Another decision was made to have band concerts during the summer by combining with the Frankfort band.

The second band concert of the Mokena band will be held this Sunday, May 25 at 2 p.m. in the Carpenter school gym. All parents and friends are urged to attend to give these young players encouragement.

The Frankfort-Mokena Home bureau met last Thursday evening in the home of Mrs. Emil Groth, with 11 members present and two guests, Mrs. Robert Sulzberger and Mrs. Vernon Lankenau, both of Mokena.

Mrs. Lawrence Kohl and Mrs. Fred Shinkowski presented the major lesson on "The Delusion of Joint Ownership." Mrs. Geo. Elsner had charge of the recreation period.

Mrs. Ruth Schneider of Chicago moved last weekend to the home of her brother and sister-in-law, Mr. and Mrs. Hugo Niethammer.

James Hearn of Sunny Acres is a patient in Silver Cross hospital.

John Lee Marcoux of Mokena, a student in Lincoln-Way high school, has been admitted to the Harvard college in Chicago where he will start next fall.

The Mokena Mud Turtles 4-H

distance.

Mrs. Foster gave the address entitled "The Pattern for Living" and ended with the showing of mother-daughter dolls which were dressed during the program by Norvene Foster and represented the completion of the finished product of a well run sewing class and a delightful evening.

Next time you pick up a package of meat in a Jewel Market, notice the three letters E. V. T. on the label. They stand for EXTRA VALUE TRIM—the exclusive Jewel way of giving you a better cut of meat for less money. Perhaps you already know E. V. T. means removing all excess fat and bone before weighing, but did you know E. V. T. also means...

Jewel cuts only the first 5 ribs in a side of beef for standing rib roasts... the 6th and 7th ribs are for pot

roast (removing the blade and selling it for boneless rolled roast is not the Jewel way).

Removing the tails from Porterhouse steaks is the newest addition to E. V. T. (Since the tail isn't as tender, it's ground and sold as hamburger.)

As you can see, Jewel's E. V. T. policy applies to all cuts of meats. No wonder that more and more home-makers are joining the swing to Jewel for the best buys in meats!

MEAT COURSE DELAYED—A trailer load of meat from a packing company at Des Moines was on its way to Hammond, Ind. on 159th street early last Thursday morning when, according to the driver a west bound passenger car veered across the highway. To avoid a collision the truck driver, Oliver Payne, 30, of Des Moines, swung sharply to his left, and then tried to straighten out. The cargo of meat was hanging from the top of the trailer on hooks and the maneuver started the cargo rocking and rolling. The trailer wheels hit the shoulder and the swinging cargo caused the vehicle to tip and turn on its side. The em-

bankment along the highway at this point (about half a mile west of Wolf rd. on 159th st. has a drop of about 50 feet. Fortunately for Payne the trailer uncoupled itself from the tractor when it toppled and he went bumping along and plunged into the ditch without rolling over. He was shaken but apparently escaped injury. The accident occurred about 3 o'clock in the morning but it was well toward noon before wreckers succeeded in dragging the trailer up to highway level. Some of the meat was reported thrown out of the trailer but it had been cleared away before this picture was taken. (Marvin Smith photo)

FBI Has Wider Range of Duties Fighting Crime

"The 1957 fiscal year witnessed a continuation of the record wave of lawlessness which has swept across the nation in the postwar period." That is the grim opening sentence of the latest annual report of J. Edgar Hoover, director of the Federal Bureau of Investigation. The story he has to tell is a sorry one. Each minute throughout the year nearly five major crimes were committed—and a homicide, rape or attempt to kill occurred about every four minutes. Crimes against property happened with record frequency. As a consequence, the demands upon the FBI and other law enforcement agencies were extremely heavy.

There is, however, a brighter side to the ledger. In fiscal 1957 96.7 per cent of persons tried in Federal court as a result of FBI investigations pled or were found guilty, and the number of such convictions reached a 10-year high of 11,218. This figure does not include a great number of other convictions obtained in state courts and based upon evidence gathered by the FBI.

The FBI has a wider range of responsibilities than, probably, is generally recognized, and it is frequently widened still farther by Congressional legislation. In the past year, for instance, legislation gave the Bureau new or extended jurisdiction in cases of kidnapping; the interstate transportation of stolen property; thefts from banking type institutions, and malicious damage to aircraft or motor vehicles moving in interstate or foreign commerce. Also, the FBI has the extremely important and delicate duty of protecting the civil rights and privileges of the people of this country. This is a field where misinformation and controversy are apt to be rife. For a number of years the FBI held a series of civil rights schools for police organizations, and special agents of the Bureau have made hundreds of lectures on the subject. The magnitude of the job is indicated by the fact that in fiscal 1957 1,289 preliminary investigations of civil rights allegations were investigated.

An increasingly important area of FBI responsibility is in the field of domestic intelligence. The purpose is to protect the internal security of the United States and to combat espionage, sabotage, subversive activities and related threats. And here Mr. Hoover's report has some significant things to say about the Communist Party, USA. Despite certain setbacks, he says that "a hard core consisting of thousands of dedicated Marxists in this country has clung to its un-American ideals and emerged into what it interprets as an atmosphere conducive to regrowth and attainment of its goals." The Party's leaders, for the most part, have

long established records of conspiring to teach and advocate the overthrow of the government by force and violence. It is dominated by directive from the Soviet Union. And the members "...have become experts at seeking refuge behind the very rights and privileges which they would destroy." In addition, the Party has successfully devised various "front" groups which are used to dupe loyal citizens into supporting and promoting each passing year.

THE NEWS-BULLETIN
Mokena, Illinois

campaigns which will serve its ends in one way or another.

Mr. Hoover's report is brief, but well documented and comprehensive. It shows that the war against crime, in all its manifold ramifications, must be waged more intensely with each passing year.

YOUR PHARMACIST

By years of training, your pharmacist is an exacting scientist.

As a member of the community health team, he is a dedicated professional man.

Yet he is a businessman engaged in serving your needs not only as a supplier of medicines but as a merchant whose stocks reflect the daily needs of his customers.

And, too, he's a fellow townsman, a taxpayer, a neighbor — one who has a personal concern for the health and welfare of your family.

Cards of Thanks

THANK YOU

Words cannot express my heartfelt thanks to my friends, relatives, and neighbors for coming with tractors and planters and planting my crops last Wednesday while I was still in the hospital, to the ladies who brought food and helped cook for the men, to Cooper Oil company for their donation of fuel and everyone who helped in any way, again I thank you one and all.

ARTHUR BETTENHAUSEN

CARDS OF THANKS

We wish to thank our many friends for the cards, gifts and congratulations extended to us on our 25th wedding anniversary.

AVA and BUSH FUNK,
Tinley Park

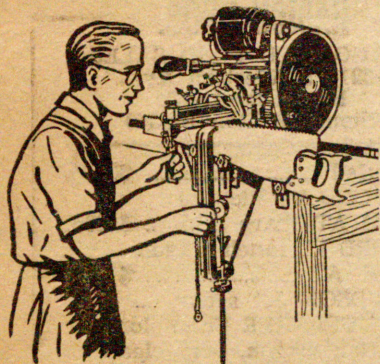

Mrs. Edna Howes, Ross and Steve wish to thank their friends who wrote letters to Judge Wendell E. Green, Family court, Chicago, requesting that Steve be allowed to go to Texas, our new home, which request was granted last Thursday.

MRS. HOWES and FAMILY,
Mokena.

I wish to express my sincere thanks to everyone who sent cards, greetings and flowers to me during my stay in the hospital; also to the Rev. Robert L. Plastow for his kind visits and inspiring words of comfort.

MRS. DELLA BROWN,
Orland Park

"Scientists say none of the planets is fit to live on. It hardly seems fair to judge all the others by this one or ours".
—Farmington Bugle.

Man With A Hoe Is A "Must" For Home Gardens

Some people think that vegetable gardens will grow and produce by themselves once the seed is planted. But planting the seed is only the beginning. Vegetable gardens require constant care and protection from weather, insects and diseases, says A. A. Wicklein, Will county farm adviser.

About the most important garden problem is weed control. Weeds choke out vegetable plants and compete with them for moisture and food. The easiest way to control weeds is to prevent them from seeding. This requires cultivation or hoeing about once a week, of both planted and unplanted areas. Handweeding is necessary to control weeds in the rows. Good cultivation should result in a shallow, level layer of loose soil on the surface.

Chemicals Impractical

At present, the use of chemicals to control weeds in the home vegetable garden is not recommended. None has been developed which can be applied on a wide assortment of crops without severe damage to some, Wicklein stated.

Crowded plants is another garden problem. Such plants will not produce well, particularly if moisture or fertility is lacking. When thinning is necessary, do it while the plants are small. This prevents injuring those not removed and provides room for their development.

Corn vine and root crops can-

not be transplanted because it injures them too severely. Plants that can be removed may be used to fill in empty spaces or even to set additional rows. But they must be small and must be handled carefully.

Some garden crops, such as tomatoes and pole beans, should be staked but this requires considerable time and work. In small gardens, staking tomatoes permits closer spacing and increases yield per unit of area. However, yield per plant is reduced.

Offers Garden Guide

Many questions arise concerning the use of straw or paper mulch to control weeds and conserve moisture. For the average gardener, paper mulch is impractical because it is hard to lay and hold in place. Its cost is also impractical.

Straw mulching may be helpful under certain conditions and for certain crops grown on well-drained soil. But it will not entirely eliminate weeds and those that grow must be removed by hand.

These garden problems are discussed in the 1958 Illinois Garden Guide. The Guide also covers such items as soil treatment, planting dates for vegetable crops in different sections of Illinois, correct fertilization procedures, insect and disease control.

One can get a copy of the Garden Guide by writing to the College of Agriculture, Mumfords Hall, Urbana, or from your farm adviser.

Parcels, Letters Must Conform to Postal Laws

The variety of items that people send—or try to send—thru the mails is amazing, postal workers say. From formal notices and trinkets of little consequence to social and business transactions of incalculable value. Most everything makes grist for the biggest business on earth. But not all that is deposited is welcome.

Certain types of letters and packages are in violation of law. Violations can bring penalties of up to \$5000 in fines and 5 years imprisonment or both. One of the better known non-mailable items is chain letter; others are lottery advertising and lottery tickets, sweepstakes tickets, obscene matter, articles relating to birth prevention, liquor, firearms, explosives, caustic acids, matches, treasonable statements, poisons and poisonous reptiles.

In general, any articles, compositions, or material which may kill or injure another, or injure the mails, or other property are non-mailable. Primary purpose of the law is to protect the mails against damage,

Scout News

Brownies Have Tea

Brownie troop 333, Tinley Park entertained their mothers at a tea Thursday afternoon May 15, in the Baptist church. The 14 mothers who attended enjoyed a program which included a piano recital given by Mrs. A. D. Corder and Sheila Malmberg. The mothers each were presented with earrings, cleverly fashioned of rice.

Neighborhood Meeting

The Tinley Park Girl Scout Neighborhood meeting, Tinley Park, will be held at 8 pm. Tuesday, May 27, in the Central school. All adult scouts are asked to be present.

Today if the tomorrow you worried about yesterday—and it never happened.

Those who look ahead are seldom left behind.

Anything plus God, is better than Everything without God.

Bad officials are elected by good citizens who do not vote.

Failure is the path of least persistence.

The benius is the man who shoots at something no one else sees and hits it.

In 1918 the base pay of Navy nurses was increased to \$60 per month.

to protect those who handle them against personal harm, and to protect the public against fraud. Some items ordinarily prohibited may be sent thru the mails if they conform to special regulations as to preparation and packaging and if they are not outwardly dangerous, or of their own force dangerous or injurious to life, health or property.

The burden rests with the mailer to insure that he has complied with the law. So if you are in doubt call your post office.

Tinley Lions Bowling Team Finishes 12th

The number two bowling team of the Tinley Park Lions club, entered in the recent tournament ended up in 12th place with a score of 2832 pins. The number one team did not fare so well, ending in 61st place with a total score of 2675.

The Midlothian number one team was the top prize winner with a score of 2958.

The local Lions mixed-up league had its final roll-off on Sunday evening, May 11. Out of six teams, the top four were within two games of each other. At the final count the Twisters triumphed over the Splitters two games out of three to take top honors.

The following were awarded prizes at the bowling banquet Saturday by Lion President William Francis: Booby prizes—last place pins to tappers Walter Fierke, Jean Schmudde, Phil Virtue, Jean Fletcher and Bill Kopp.

Champs—Chevrons and trophies to twisters Don Hollingshead, Patti Kent, Les Johnson, Alice Rawson, Mary Kopp and Eleanor Blue.

Most improved male bowler—Belt buckle to Bob Watkins, 16 pins above average.

Most improved female bowler—Trophy to Dode Watkins, 23 pins above average.

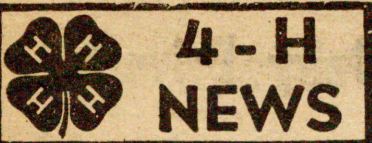

Triplicate club—Chevron to Bob Rawson, three games of 149 bowled on Dec. 1.

High series men—Trophy to Phil Dykstra, 663.

High series women—Nell Hollingshead, 637.

High game men—Trophy to Lyle Nelson and Bob Rawson, tied with 265.

High game women—Trophy to Alice Rawson, 252.

ORLAND BOYS

The Orland Boys 4-H club met at the Maue school May 12, with Lawrence Laufer in charge. A demonstration on "Sampling Soil" was given by Duane Erickson and Richard Meier. Refreshments were served.

RICH GO-GETTERS

The May meeting of the Rich Go-Getters 4-H club was held at the home of Elaine Elbers May 6.

Final settlements were made from the joint picnic with Rich Bremen at Camp Shaw waw nas see May 4.

Every member was reminded to attend the keeping fit field day on July 16. The 4-H fair will be held Aug. 16 this year near Midlothian. A tour to Libby cannery was discussed, but it was put over until the next meeting. A mother-daughter banquet was also put over to the next meeting.

After the business portion of the meeting Sharon Kohl gave a talk on "Starting Annual Flowers" and Sandra Gierke gave a demonstration on "Lace Craft."

Refreshments were served by the hostess.

The next meeting will be held at Carol Feigel's home June 12. Lyla Harms is scheduled for a talk and Lois Blume is scheduled for a demonstration.

Anyone wishing to join the club may contact Elaine Elbers or Sharon Kohl, Jr., leaders.

"If all the children of a family were placed side by side at a table without their parents, they would reach."—Rochelle Leader.

Police League Nine to Play Matteson Sunday

The Tinley Park Police league team will take on Matetson Sunday, May 25, at Matteson, in a pre-season game with Harold Coley as its starting pitcher.

The Matteson diamond is located in Matteson Park near the public school and Lyman Anfield, manager of the Tinley outfit is hopeful there will be a large turnout of local fans to give the team support.

The Tinleys dropped a pair of pre-season tilts to Robbins last week-end. In a game at Robbins the Tinleys came out on the short end 20 to 5 in a seven inning contest. Tinley was host to Robbins on Sunday but because of wet grounds at Memorial park the game was played on the Bremen high school diamond.

That was a nine inning affair and while Tinley lost the margin was not as great, Robbins winning 18 to 15. The team also looked better.

The police league of southwest Cook county now has nine teams, Orland Park, Tinley, Matteson, Midlothian, Robbins and Markham, the last three towns named having two entries each. If Oak Forest is successful in fielding a team, the league will be divided into two sections of five teams each, with a playoff at the season's end for the championship.

Psychologist Appointed to Tinley Hospital

Dr. John L. Cutler, superintendent, Tinley Park state hospital, announced today the appointment of Herbert Altschuler as chief psychologist. Altschuler assumed his new post May 1 and was formerly a staff psychologist at Manteno state hospital.

Dr. Cutler stated that plans for a psychology department at Tinley Park state hospital has not been formulated as yet. Future proposals include community out-patient clinic services, psychological research in the area of geriatrics, group and individual psychotherapy programs. At present a diagnostic program is already functioning, with the aid of Dr. Robert Daniels, psychiatrist-consultant on the faculty of the University of Chicago.

Altschuler's experience includes nine years as clinical psychologist in various settings, including child guidance clinics, mental hygiene out-patient clinics and state hospitals. The new chief psychologist plans to complete requirements for his doctorate (Ph-D) in the near future. His early training includes a B.A. from Brooklyn college and a M.A. from Columbia university. He is a Ph-D candidate, in absentia, from Boston university.

The new \$14 million Tinley Park state hospital is located on 183rd at Oak Park avenue. It was put into actual operation the first part of the year. At present, the total patient population numbers 424. Present capacity will take care of 480 patients.

The hospital is in the process of completing its medical and non-medical staffs. A volunteer services supervisor was appointed recently and a volunteer program has been started.

Embezzlers have been found to have the highest intelligence of any class of criminals.

Excluding the Presidents who were assassinated, three U. S. Presidents have died in office.

Southlands

Property Group Plans Games for Saturday Night

by RUTH UITTO
KE 2-3038

The Southland Property Owners will hold a game night in the American Legion hall in Tinley Park Saturday, May 24 starting at 8 pm. There will be prizes and a good time for all.

Boy Scout News

Cub Scout Pack 256 held a family picnic May 17 at the Tinley Creek forest preserve. Several friends of scouts attended the outing. It was a delightful day.

Boy Scout troop 256 was granted \$178 by the Tinley Park Recreation commission to purchase additional equipment.

On June 6, 7 and 8 a spring camporee will be held at Sweet Woods, south in Thornton for all Boy Scouts in Pottawatomie district. Ten to 12 boys from troop 256 are expected to attend.

Thirteen boys and their leaders, Gene Thomas and Gene Kelly remained dry despite the heavy rain on a recent campout on a farm southwest of Tinley Park.

Travel Club Organized

The pupils of the 5th and 6th grades of Kirby McIntosh school have organized a travel club to display information on travel and correspond with other clubs.

Officers elected in the 5th grade are: John Howell, president; Kathy McNamara, vice president; Lynn Bettenhausen, secretary and Jack Price, treasurer.

Sixth grade officers are: Roy Collins, president; Betty Cammire, vice president; Carol Monson, secretary and Linda Holz, treasurer.

Bobby Miller will serve as reporter for both groups.

Mr. and Mrs. Howard Stronk, Oriole ave. are the proud parents of a son named Steven Alan, born May 5 weighing 8 lbs. 6 oz. Awaiting the arrival of mother and baby from Hazelcrest hospital were dad, two brothers and a sister, all excellent baby sitters.

Sheryl, daughter of Mr. and Mrs. James Flood, Oriole ave., underwent surgery recently on her left eye in Hinsdale sanatorium.

Mrs. Walter Knobloch is spending several days with her mother, Mrs. Edna Koshe who underwent major surgery in an Elgin hospital.

Thursday afternoon the Glenn Smetana terrace was the scene of a happy "un-birthday" party. Their guests were Mrs. Pat Bettenhausen, sons Duane and Jerry, also Mrs. Joyce Lahti and daughter Sharon from Orland.

In her newly redecorated home Mrs. Dean Pettit, Overhill ave., honored Evelyn Brandau with a wedding shower. Games were played by the 17 guests with winners Marilyn Ropes and Jeannine Brattstrom, being duplicate prizes as bride to be.

Lunch was served from a gayly

decorated table with punch bowl and fancy umbrella. Many lovely gifts were received.

Miss Brandau will be married June 7 to Rixon Russell of LaGrange.

May 16 was the date of a surprise party held for the 19th birthday of Chuck Graefen, son of Mr. and Mrs. Edwin Graefen. Twenty five teenagers from the Southlands enjoyed an evening of dancing and pepsi-colas.

Correction

In a story from the Chicago news agency carried last week dealing with a suit against Cook county by a Blue Island bank relative to establishment of a trailer camp in Orland township, it was erroneously reported that a trailer court was now in existence on the southeast corner of the intersection of 159th and U. S. 45.

The Virginia Motor Court, a modern motel, operated by Edward C. Young, occupies the southeast corner of the intersection. There is no trailer camp in the vicinity.

"The only woman who will listen to both sides of an argument is the one next door."
—Ben Askew.

Orland Center District Must Have More Money to Operate New School

Whether the new Orland Center school can be put to its intended use next September will depend upon the outcome of the special school election scheduled for June 14, it was pointed out by the directors.

The proposal to be placed before the voters next month is to increase the educational tax rate from 71 to 92 cents per \$100 equalized assessed valuation.

The present 71 cent rate can produce but \$10,162 if 100% collection is made. This sum, it was stated by the directors, was insufficient to pay salaries for two teachers and meet the other operating expenses that must come out of the educational tax fund. The proposed 92 cent rate would bring in \$13,168.

The new school, built to accommodate the steadily growing enrollment, will be ready by September. It will have three rooms but the board is planning to use only two of them for the coming year, provided, the directors said, the funds are available to hire two teachers.

There are 47 pupils in the school now and it is expected the number will be increased by September. There are two subdivisions in the district, it was explained, that are bringing more new families to the area.

An attempt to increase the educational tax rate was defeated in April when a tie vote resulted, 14 to 14. Now the board is striving again to get the new rate approved. At the election June 14 the school at 94th and 151st street will serve as the polling place. The poll will open at 4 o'clock that afternoon and close at 7:00.

The present school is a one-room structure and is too small to accommodate the present enrollment. Pupils have been divided into two shifts this year and one teacher has been handling the job but the board agrees that this cannot continue and it will be necessary to have two teachers. Attempting to do the job with one teacher, it was pointed out, is not fair to the teacher or the pupils.

Stanley Cooper, president of the board of directors, urges a turnout of voters for the June 14 election and he hopes they will vote "YES" on the proposition to increase the educational rate.

Invites Adults to This Vacation Bible School

Park View Baptist church of Mokena will conduct a Daily Vacation Bible School that will differ from the usual format. The classes will be conducted in the evenings from 7 to 8:50 o'clock so that every member of a family may attend.

The school will be conducted June 9-20 at the church. Classes will be organized for all ages, from the nursery to an adult department.

This being the Geophysical Year of 1958 the school's theme will be, "Exploring God's Wonders."

Adults will have two class sessions, one a sharing period on "The Happy Home," and the other on, "Spotlighting Christ's Ministry."

The discussions centering on the home will include ideas on "family togetherness," religion, planning, finances, education, leisure, diet and houses. All who attend will be invited to give their own ideas on such subjects.

In addition to lessons youngsters will be taught handiwork. The boy and girl bringing the most people to Bible school will

situation as soon as possible. The fire department is a volunteer organization that has to depend upon contributions from the public for its upkeep. It is not supported by taxes. By keeping the department up to standard set by the underwriters insurance rates are held down, it was explained.

Money for the tickets may be sent to Eric Book, department treasurer, or left at the Cooper and Hostert garage. The committee added that teams of uniformed firemen will call on those who do not respond.

"The number of children who have fallen into open wells thruout the country recently has become alarming. It seems that wells are now in the class of abandoned ice boxes as a threat to the lives of the nation's children."—Foley, Ala., Onlooker.

Do all the good you can and make no fuss about it.

—Charles Dickens

receive special prizes, it was announced. The school is open to everyone, it was announced, regardless of religious affiliation.

THE GOOD NEIGHBOR POLICY—was put into action last Thursday on the farm of Arthur Bettenhausen, 80th Ave., Tinley Park, when neighbors, friends and relatives rallied around to complete the job of spring planting. Mr. Bettenhausen was seriously injured in an accident on his farm on April 25, as he was preparing the tractor to start work on the fields and accidentally started it in motion, knocking him down. He suffered multiple fractured ribs and a punctured left lung. He returned home from the hospital last week, but is temporarily confined to a wheelchair. The farmers pictured planted 85 acres of soy

beans and corn on the Bettenhausen farm. The women brought food and cooked for the men. To the left of the picture is a truck of the Cooper Oil Company who donated fuel for the tractors. The families who came to the aid of the farmer were: Tom Troth, Marvin Cooper, Harry Wollenberg, Ervin Yunker, Milton, Fred, Herb, Edward, and Lloyd Bettenhausen, Jack Chestnut, Edward Wannemacher, Frank Schuldt, Tommy Bettenhausen, Kenny Cooper, Pike Keuch, Gerry McNamara, Emil Bettenhausen, and Fred Zummellen.

Royal Neighbors Given Permission To Sell Plants

The Royal Neighbors of America, Dew Drop Camp, in Tinley Park, has been given permission by the village board to sell Memorial Day plants at various locations in the business district on May 23 and 24, from 10 a.m. to 9 p.m. The money raised will be used for the organization.

PTA News

DOCTOR UNIT

The pot luck banquet held recently at the Doctor school was the highlight of the PTA meeting.

Special guests were the eighth grade graduates. Each of them was presented with a gift.

Installation of officers for the ensuing year took place.

Mrs. Rudolph Bayer, was presented with a past-presidents' pin.

The PTA sponsored a field trip for the school children to the Cracker Jack plant and later to the Museum of Science and Industry.

Teachers and Mothers accompanying the children were: Mrs. Vivian Shoop, Mrs. Lynn Carl, Mrs. Louise Stoudt, Mrs. Melburn Dralle, Mrs. Edward Umek, Mrs. Joseph Bauer, Mrs. Henry Andresen and Mrs. Gordon Doctor. Plans are being formulated for the annual school picnic.

KIRBY-McINTOSH UNIT

Recently elected officers of Kirby-McIntosh unit of the Parent Teachers Association were installed at the regular meeting of the group held May 13 at the school.

Mrs. Walter Fierke, a past president of the PTA council was the installing officer.

The officers installed were: Mrs. William Goble, president; Lester Rockrohr, vice president; Mrs. Charles Hargrove, secretary and Howard Jones, treasurer.

SOUTHWESTERN COUNCIL

A school of instruction for incoming PTA officers and chairmen will be offered by the Southwestern Area Council when it meets May 27 at Palos Park school, 7700 W. 127th st., at 8 p.m.

This is an excellent opportunity to prepare a firm foundation on which to build hopes of accomplishments for next year, it was pointed out.

Roundtables have been prepared to cover the following subjects: Officers' duties—Mrs. Fred Millward; program, Mrs. Walter Fierke; secretary and

treasurer, Mrs. B. G. DeWitt; budget, Mrs. Walter Dohl, Jr.; health, Mrs. Charles Lilly; historian, Mrs. Earl Landre; hospitality and membership, Mrs. Frank Juravec; legislation, Supt. Walter Fierke; parent education; Mrs. Peter DeFrancisco; publicity, Mrs. Walter Goldstrom; publications and magazine, Mrs. Walter Barton and safety, Mrs. Raymond Hammar.

The following officers will be installed by Mrs. Fred Millward, director of Dist. 19: Mrs. Phillip Wheaton, Forest Ridge, president; Mrs. Donald Johnson, Midlothian, vice president; Mrs. Raymond Hammar, Midlothian, recording secretary; Mrs. Frank Juravec, Oak Lawn, correspond-

ing secretary and Mrs. B. G. DeWitt, Palos Heights, treasurer.

A hospitality report will be given by Mrs. Frank Juravec.

Will Inoculate Dogs Against Rabies at Mokena Saturday

Inoculations against rabies will be administered to dogs brought to the Mokena village hall Saturday afternoon, May 24, between 1 and 5 o'clock. A veterinarian will be on duty there and under the village ordinance all dogs owned in Mokena must be licensed and inoculated against rabies. Village Clerk Alvin Sorensen will be on hand to issue dog licenses.
